It is within the Highlands National Register historic district. The single-family residence on site is two stories in height and has 1,020 square feet of finished space, according to PVA records.

### STANDARD OF REVIEW AND STAFF ANALYSIS FOR CONDITIONAL USE PERMIT

1. Is the proposal consistent with the applicable policies of the Comprehensive Plan?

STAFF: The proposal is consistent with the applicable policies of the Comprehensive Plan.

2. Is the proposal compatible with surrounding land uses and the general character of the area including such factors as height, bulk, scale, intensity, traffic, noise, odor, drainage, dust, lighting, appearance, etc?

STAFF: The proposal is compatible with its surroundings because the request only involves allowing a short term rental within the existing single-family dwelling. No additional development is proposed. As such, the proposal is compatible with the surrounding land uses with respect to height, bulk, scale, intensity, traffic, noise, odor, drainage, lighting and appearance.

3. Are necessary public facilities (both on-site and off-site), such as transportation, sanitation, water, sewer, drainage, emergency services, education, recreation, etc. adequate to serve the proposed use?

STAFF: The subject property is in a developed area where public facilities are readily available. There were not any agency comments indicating that the property's existing public facilities are inadequate to serve a short term rental.

4. Does the proposal comply with the following specific standards required to obtain the conditional use permit requested?

**4.2.63 Short Term Rental Term Rental of a dwelling unit that is not the primary residence of the host in a R-R, R-E, R-1, R-2, R-3, R-4, R-5, U-N, R-5A, R-5B, R-6, R-7 or R-8A district and Short Term Rental of any dwelling unit in a TNZD district**

A short term rental of dwelling unit that is not the primary residence of the host in a R-R, R-E, R-1, R-2, R-3, R-4, R-5, U-N, R-5A, R-5B, R-6, R-7 or R-8A district and a short term rental of any dwelling unit in a TNZD district may be allowed upon the granting of a Conditional Use Permit. In addition to any conditions of approval, a short term rental and its host shall meet the following requirements:

- A. The maximum stay for a guest shall be 29 consecutive days. A dwelling unit rented to the same occupant 30 consecutive days or more is not considered a short term rental.

*The applicant has been informed of this requirement. If a contract exceeds 29 consecutive days, it is not subject to the short term rental regulations. Long term rental contracts are permitted on the property so long as the use remains single-family residential.*

- B. The dwelling unit shall be limited to a single short term rental contract at a time.

*The applicant has been informed of this requirement.*

- C. At no time shall more persons reside in the short term rental than two times the number of bedrooms plus four individuals.

*The applicant has been informed of this requirement. The dwelling has two bedrooms and so the maximum number of individuals permitted in the short term rental is eight. The applicant has no plans to add bedrooms to the structure.*

- D. The dwelling unit shall be a single-family residence or duplex. This provision shall not be waived or adjusted.  
*The dwelling unit is a single-family residence.*
- E. Food and alcoholic beverages shall not be served or otherwise provided by the host to any guest.  
*The applicant has been informed of this requirement.*
- F. Outdoor signage which identifies the short term rental is prohibited.  
*The applicant has been informed of this requirement.*
- G. There shall be a sufficient amount of parking available for the host and guests, as determined by the Board of Zoning Adjustment. The amount and location of parking shall be based on the land uses and density of the immediate vicinity. Any parking surface that is added to accommodate the short term rental use shall be removed when the short term rental use is terminated.  
*The applicant states in her application that the subject property does not have a front driveway or rear parking area, but that on-street parking is ample.*
- H. The short term rental and host shall meet all additional requirements set forth in the Louisville Metro Code of Ordinances.  
*The applicant has been informed of this requirement.*
- I. If the property is subject to two (2) or more substantiated civil and/or criminal complaints, the Board of Zoning Adjustment may revoke the approval pursuant to section 11.5A.6.  
*The applicant has been informed of this provision.*
