We can do an internal NDF to cover this costs. Just waiting to hear on how many weeks they will need it, I'm guessing through the end of March so it would be about \$450.

Thanks,
Carrie

Yes I spoke with staff and we could do like we do for boot camps - \$25 per session - this would be fair and help cover our cost.

Hey guys,

Just wondering if GRCPNA could make arrangements to use the lodge. I've put Colleen Younger on here so if so you can provide the info to her directly if they can. If there is anything that we need to do, please let me know and we'll be on it.

Thanks,

Good Morning,

The George Rogers Clark Park Neighborhood Association has been having a Yoga in the Park program on Saturday mornings. It has gotten too cold to have it outdoors now and the association has asked if they could use the lodge for the yoga in the winter months.

It is every Saturday mornings from 10-11 am. They have about 10-15 people in attendance. Once the weather warms in the spring they will move it back outdoors. If there is anything that we need to do here in the office, please let me know.

Thanks,
