To whom it may concern:

I, Wesley Greathouse, owner of 1050 Euclid Ave, Louisville, KY 40208 is proposing our residential house to convert to a Short-Term Rental. We bought this house with plans of a family member to occupy, however we have decided to convert it to a STR. This home is additional to our primary residents explaining why a conditional permit is needed. This is one house, once dwelling and we plan on converting the entire dwelling to STR. Please accept this document as a letter of explanation outlining our proposal.
