CASE NO. 14SUBDIV1015

3. Before any permit (including but not limited to building, parking lot, change of use, site disturbance, alteration permit or demolition permit) is requested:
 - a. The development plan must receive full construction approval from Louisville Metro Department of Codes and Regulations Construction Permits and Transportation Planning Review and the Metropolitan Sewer District.
 - b. A Tree Preservation Plan in accordance with Chapter 10 of the LDC shall be reviewed and approved prior to obtaining approval for site disturbance.
 - c. A minor subdivision plat shall be recorded creating the lot lines as shown on the development plan. A copy of the recorded instrument shall be submitted to the Division of Planning and Design Services; transmittal of approved plans to the office responsible for permit issuance will occur only after receipt of said instrument.
 - d. The property owner/developer must obtain approval of a detailed plan for screening (buffering/landscaping) as described in Chapter 10 prior to requesting a building permit. Such plan shall be implemented prior to occupancy of the site and shall be maintained thereafter.
4. Prior to any site disturbance permit being issued and prior to any clearing, grading or issuance of a site disturbance permit, a site inspection shall be conducted by PDS staff to ensure proper placement of required tree protection fencing in accordance with the approved Tree Preservation Plan.
5. A certificate of occupancy must be received from the appropriate code enforcement department prior to occupancy of the structure or land for the proposed use. All conditions requiring action and approval must be implemented prior to requesting issuance of the certificate of occupancy, unless specifically waived by the Planning Commission.
6. The applicant, developer, or property owner shall provide copies of these conditions to tenants, purchasers, contractors, subcontractors and other parties engaged in development of this site and shall advise them of the content of these conditions. These conditions shall run with the land and the owner of the property and occupant of the property shall at all times be

responsible for compliance with these conditions. At all times during development of the site, the applicant and developer, their heirs, successors; and assignees, contractors, subcontractors, and other parties engaged in development of the site, shall be responsible for compliance with these conditions.

7. Prior to the recording of the record plat, copies of the recorded documents listed below shall be filed with the Planning Commission.
 - a. Articles of Incorporation filed with the Secretary of State and recorded in the office of the Clerk of Jefferson County and the Certificate of Incorporation of the Homeowners Association.
 - b. A deed of restriction in a form approved by Counsel to the Planning Commission addressing (responsibilities for the maintenance of common areas and open space, maintenance of noise barriers, maintenance of WPAs, TPAs) and other issues required by these binding elements / conditions of approval.
 - c. Bylaws of the Homeowner's Association in a form approved by the Counsel for the Planning Commission.
8. At the time the developer turns control of the homeowner's association over to the homeowners, the developer shall provide sufficient funds to ensure there is no less than \$3,000 cash in the homeowner's association account. The subdivision performance bond may be required by the Planning Commission to fulfill this funding requirement.
9. Prior to the recording of the record plat, a signature entrance plan shall be reviewed and approved by Planning and Design Services staff.
10. Lot 26 will remain a non-buildable lot unless it is consolidated with adjoining Lot 537 to the south or a portion of adjoining Lot 537 is annexed into this proposed subdivision.
11. The residual portion of adjoining Lot 65 to the north is not a part of this subdivision and is not subject to these conditions of approval.

The vote was as follows:

YES: Commissioners Blake, Brown, and Jarboe.

NO: No one.

New Cases

CASE NO. 14ZONE1057

The following spoke in favor of the request:

Nick Pregliasco, Bardenwerper Talbott & Roberts PLLC, 10000 North Hurstbourne Parkway, Louisville, KY 40223

Ann Richard, Land Design & Development, 503 Washburn Avenue, Louisville, KY 40222

Diane Zimmerman, Jacobs Engineering, 9911 Shelbyville Rd # 100, Louisville, KY 40223

Summary of testimony of those in favor:

00:28:43 Nick Pregliasco, the applicant's representative, presented the applicant's case and showed a Power Point presentation.

00:30:38 Mr. Pregliasco said the applicant is willing to remove the proposed connections if needed, due to the opposition from Apple Valley residents. He also discussed the waiver request and said the applicant is willing to change that to 10 feet (a 15-foot reduction), again to address oppositions' concerns.

00:36:55 Ann Richard discussed the buffer, landscaping, screening, and some other site issues.

00:37:58 Mr. Wagner discussed opposition to the traffic light and clarified the landscape buffer area location.

The following spoke in opposition to the request:

Jeffrey Hall, 8384 Grand Trevi Drive, Louisville, KY 40228

David Steff, 7812 Applevue, Louisville, KY 40228

Summary of testimony of those in opposition:

00:39:14 Jeffrey Hall spoke in opposition to the waiver request, but in support of the street connections. Mr. Hall discussed proposed fencing.

00:42:15 David Steff, President of the Apple Valley Homeowner's Association, spoke in opposition to the street connections.

New Cases

CASE NO. 14ZONE1057

00:44:19 Mr. Hall addressed one of Mr. Steff's comments regarding connectivity.

00:44:48 Mr. Pregliasco responded to the oppositions' comments, particularly those regarding connectivity, the waiver, keeping the stub street closed while construction was going on, and the requested fence.

00:46:53 Diane Zimmerman, an applicant's representative, discussed the traffic study and other traffic issues with Commissioner Brown.

00:51:39 Mr. Wagner added that he had received comments from the Kentucky Transportation Cabinet regarding this project.

00:52:10 Mr. Steff said Ms. Zimmerman's presentation dealt with residential traffic, not the outside traffic that would be generated if a cut-through was made available.

The following spoke neither for nor against:

No one spoke.
