**Agency Testimony:**

**Summary of testimony of those in favor:**

00:06:05 Mr. Pregliasco gave a power point presentation. It needs to go to Planning Commission Public Hearing because there's not 100% consent.

00:07:46 Commissioner Brown asked if the closure will impact the Water Co. maintenance access from Reamers Rd. Mr. Pregliasco said they will amend the closure or provide an easement. Chair Lewis said it looks like the access point is out of this closure. Mr. Dock added, "We do have a letter from the Louisville Water Co. and they didn't indicate a need for any additional access to that site so they have consented to the closure."
