**Subject:** Reconsideration of Beechmont Community Center CIF

Dear CM Blackwell,

The Beechmont Community Center brought it to our attention yesterday that the last CIF that was passed for them was \$2600 short for a third treadmill (CIF111418M P21). We had included funding for 2 new ones, but it was supposed to be three. They have sent us a revised quote with the change and would like to amend the CIF from the last meeting if at all possible to include the additional \$2600. Councilman Lanshima would like to add this on for them if possible. Would it be okay with you to add this to the December 5<sup>th</sup> Appropriations agenda so that we can amend this CIF? We apologize for the very short notice and greatly appreciate anything you are able to do. We do understand if it is too late.

Thank you so much for your consideration. We really do appreciate it.

Sincerely,
