The equipment is being ordered for Bardstown Road as we speak. I have already contacted Time Warner to get the cable modem for that camera as well. It will be a few days before the equipment arrives then a day or 2 to get it installed and set up.

Yes, a camera could be supported at Unseld BLVD. and E Indian Trail.

Good Morning,

Councilman Magre is interested in placing a crime camera at E. Indian Trl. and Unseld. Can you advise if this location will support a camera?

The appropriation for the Bardstown Rd. camera is complete. What is the timeline for its installation?
