RE: Cost of Speed Humps for Garland Avenue
SR # 4809666
Four (4) Speed Humps x \$2,050.00 = \$8,200.00
Two (2) Speed Hump signs x \$200.00 = \$400.00
Total = \$8,600.00

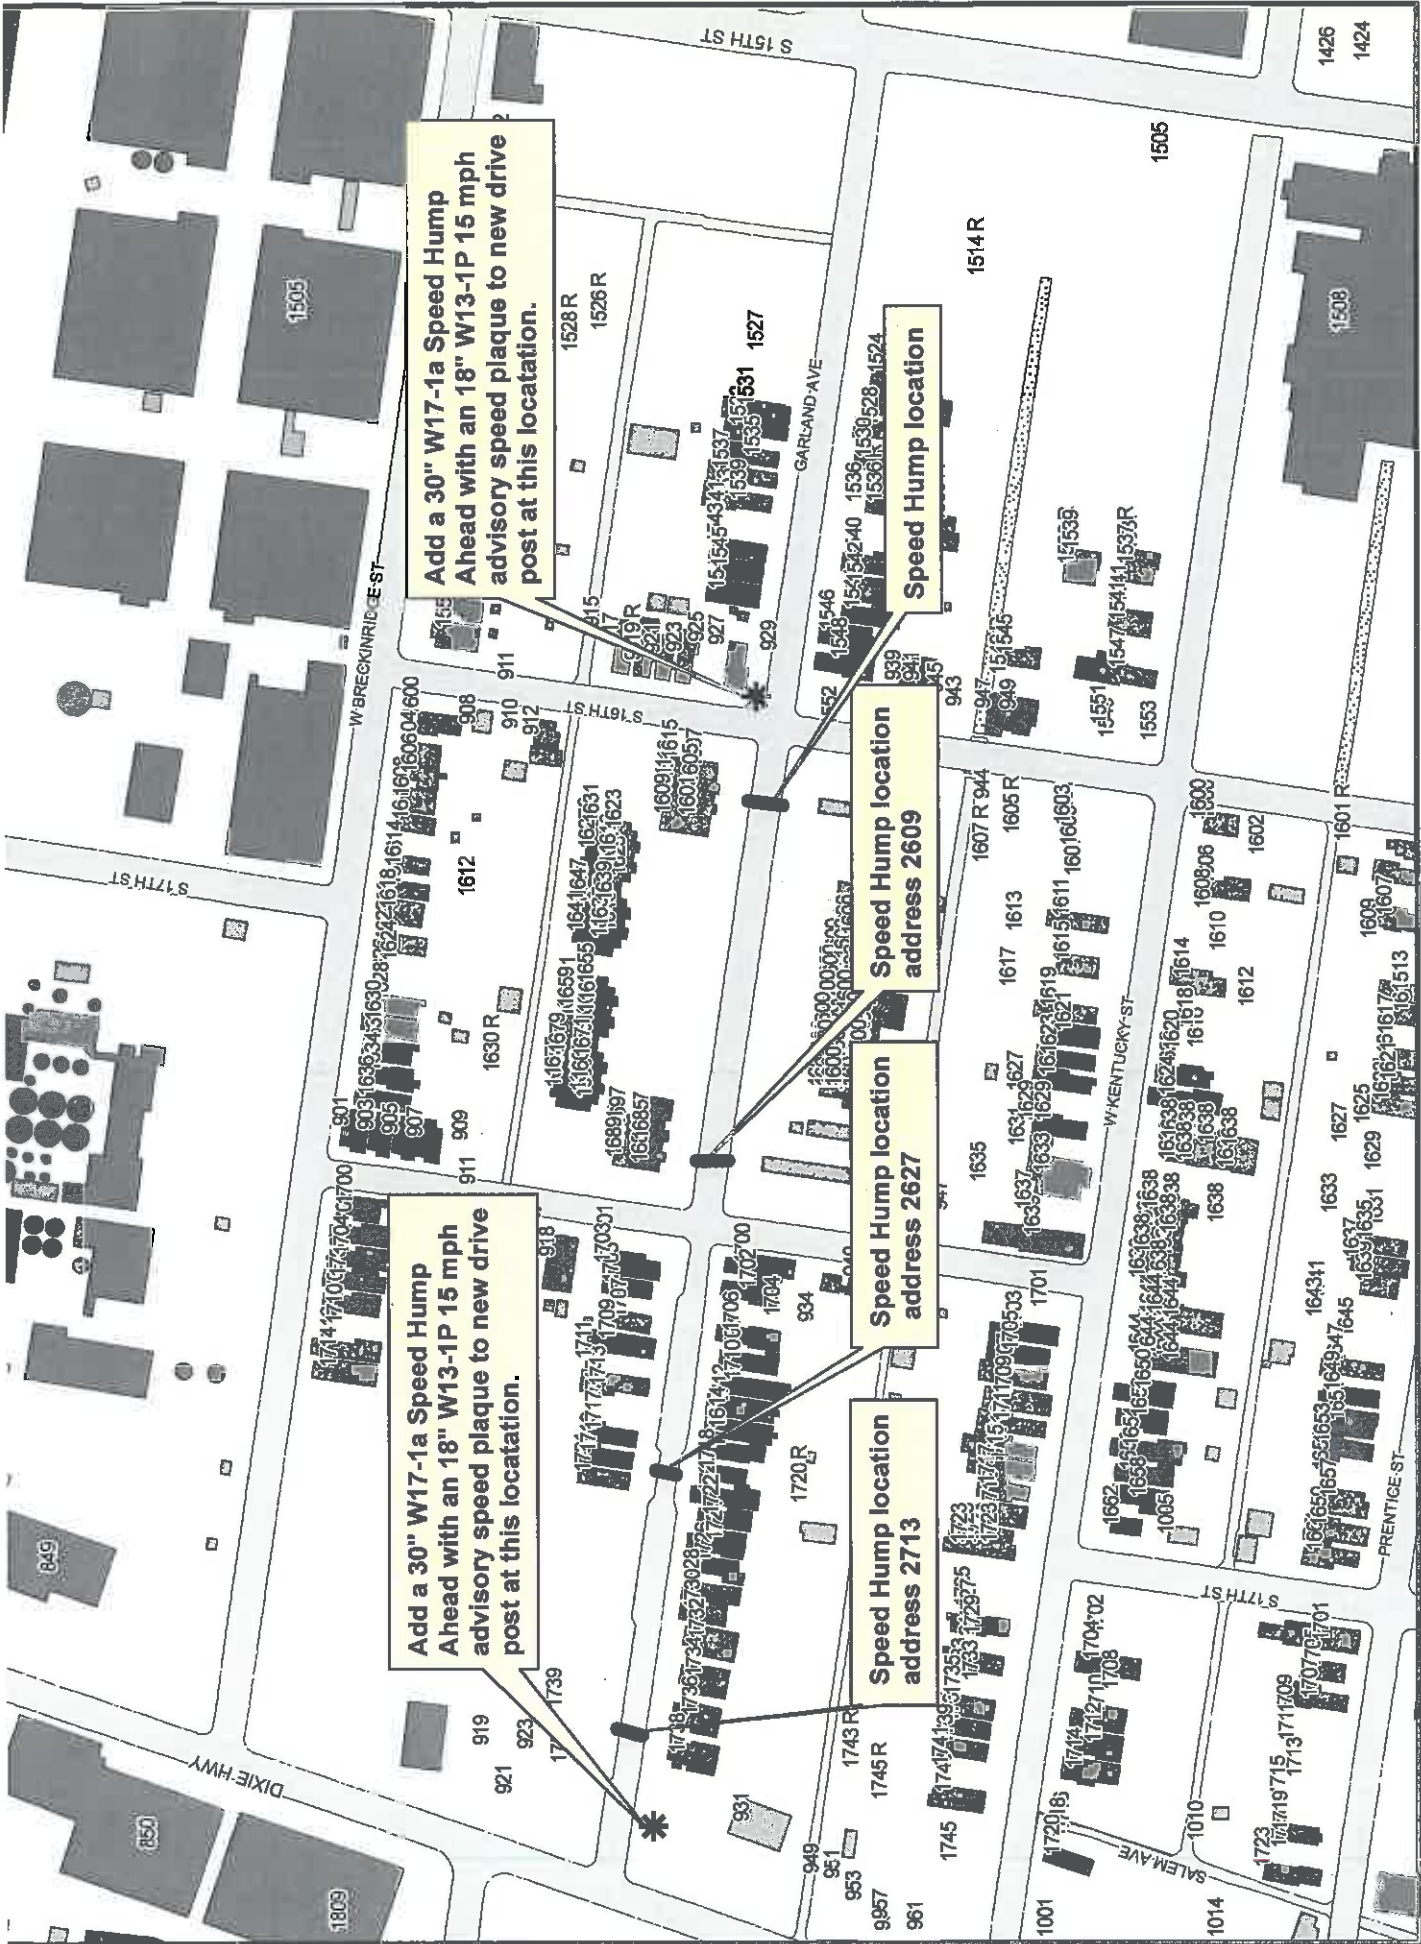

Please consider this letter as our official Statement of Cost for all speed hump related work. Each speed hump, including markings is \$2,050.00 and each sign is \$200.00. Based on our Engineering Studies, a total of four (4) speed humps and two (2) speed hump signs have been proposed for Garland Avenue between Dixie Highway and S. 15th Street. The total "not to exceed" cost is \$8,600.00.

Upon funding approval, the speed humps will be installed as schedule and weather permits.

Please let me know if you have any questions. You may contact me at 574-3882.

Sincerely,

Gregory A. Dow
