RE: Piston Automotive LLC Transfer of Incentives to Louisville-Jefferson County

Dear Secretary Hayes:

On behalf of Louisville Metro, please accept this letter as acknowledgement that Piston Automotive LLC, which was originally seeking an expansion in their current facility in the City of Jeffersontown located at 2641 Technology Drive, has instead chosen to pursue their expansion in Louisville-Jefferson County due to the award of a new contract that requires the company to increase their overall footprint by more than their original facility could handle. With this move, Louisville-Jefferson County has agreed to absorb the City of Jeffersontown's original incentive obligation of .222% on all new wages generated from the project for a total incentive obligation of 0.5%. We appreciate the opportunity to work with Piston Automotive LLC and are pleased that they have chosen to stay in the Greater Louisville region.

Thank you for your assistance with this project.

Sincerely,

Mayor Greg Fischer
