

Letter of Compliance for Comprehensive Plan

To Whom It May Concern:

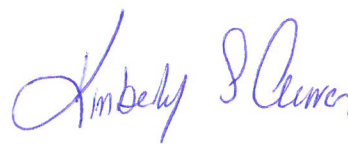

I am requesting a rezoning of R6 to OR1 for 842 Mulberry St. I have owned and operated a therapeutic massage business from my home since March 2015 and will continue to operate in the same manner, with the addition of adding a business sign to my home/office.

There will be no changes the site other than a sign. This is an adaptive reuse of an existing building, which is how this neighborhood operated not so long ago with retail in the front of the building (dentists, bakers, stores, etc) and owners living in the back.

There will be no structural changes to the site so it will continue to fit the character of the Schnitzelburg neighborhood.

There is good accessibility to TARC riders and walking pedestrians. The majority of my clients live in the neighborhood and walk or ride their bike to me.

Sincerely,

Kimberly Curran
