

Louisville Metro Council City Agency Request
Neighborhood Development Fund (NDF)
■ Capital Infrastructure Fund (CIF)
Municipal Aid Program (MAP)
Paving Fund (PAV)

Primary Sponsor: Councilman Scott Reed

Amount: \$10,000.00 **Date:** 10/10/17

Description of program/project including public purpose, additional funding sources, location of project/program and any external grantee(s):
To address erosion concern along south side of Falls Creek Road. Remove existing stretch of 4' sidewalk and install new 6' ADA compliant sidewalk on the curb.

City Agency: Metro Public Works and Assets
Contact Person: Steve Kurowsky, PE
Agency Phone: 502-574-8743

I have reviewed this request for an expenditure of city tax dollars, and have determined the funds will be used for a public purpose and have the attached documentation from the receiving department concerning the project/expenditure.

16  \$10,000 10/10/17

Subject: Concrete for severe erosion-Falls Creek Road

CM Reed / Debbie,

I met with my contractor and Jim Conner (of Falls Creek) yesterday about the erosion along the south side of Falls Creek Road. Jim detailed what the HOA has tried to do over the years with the addition of rip-rap, erosion control netting, etc.. within the verge. He believes that doing anything else other than paving it over would be a waste of time and money. He could be entirely correct. My suggestion to that would be to remove that existing stretch of 4' sidewalk (about 85') and install a new 6' sidewalk on the curb (thus eliminating the problem verge area) and making the whole stretch ADA compliant. We would use the Historic Mix concrete to blend in with the neighborhood look. The costs for this would be \$10,000. The costs would include for removing the existing sidewalk, putting in the new 6' sidewalk and seed & protection.

If you have any questions regarding anything related to this work, please don't hesitate to contact me.

Thanks,

Steve Kurowsky, PE
