## “Helping Neighbors Together”

February 12, 2014

Dear Southwest Metro Council Members:

Southwest Community Ministries has been serving residents of our community for 30 years. Every day we offer emergency financial assistance with utility bills or rent/mortgage payments; meals on wheels, which delivers meals Monday through Friday to homebound seniors; assistance with the purchase of medicines and glasses; and food supplies plus other necessities for anyone in need. In addition, we have seasonal programs such as a Back-To-School program through which we supply all school related items on each child's school or teacher list; a Children's Christmas program, and other programs designed to meet the needs of area residents. We serve residents of the 40258 and 40272 zip codes, as well as the portion of 40177 inside Jefferson County.

Obviously we cannot do all of this by ourselves. It takes many partners, supporters, and friends. Our area churches support the work that SWCM does because together we can reach and help so many more people. Numerous individuals, organizations, and business donors provide a significant portion of our funding. We have also come to depend on our Metro Council Members to assist us in our ministry of “helping neighbors together.”

We hope you will consider providing a sponsorship at the **Gold Level** for our third **Annual Dinner/Auction on March 8, 2014**. This fundraiser, a celebration of our 30 years of service, will allow us to raise funds to support SWCM and its programs. We welcome your support to make this event a huge success. If you need more information, please don't hesitate to contact me.

Grateful for your continuing support,

Sister Paula Kleine-Kracht, OSU  
Interim Director
