Scott,
The permanent receptacles are \$583.00 – this includes installation and a liner. Please contact Steve Fenster and he will assist you in getting this placed.

Thanks

Jeff – below is the request for a trash receptacle I was talking about.

Keith – I ran into Jeff on my floor and told him about this request so he said to send it to him.

One thing I forgot to mention... in the picture below the google map does not show the new sidewalk we just finished.

Thanks!

RE: Ken Towery
4037 Taylorsville Rd.
409-8473

Keith,

The manager of Ken Towery request a Lou Metro Garbage Receptacle, one of the permanent ones with the City's logo. Currently, the manager has placed a plastic white tall basket that gets full quickly. Councilman Kramer noticed the pile of trash during last Saturday's Brightside Cleanup and spoke to the manager. He agreed to take responsibility of emptying the trash.

Would you please let me know how much a receptacle costs so CM Kramer can allocate funds to your department?

Thank you!

Scott
