Subject: RR Coordination along Frankfort Ave. New Sidewalk Project

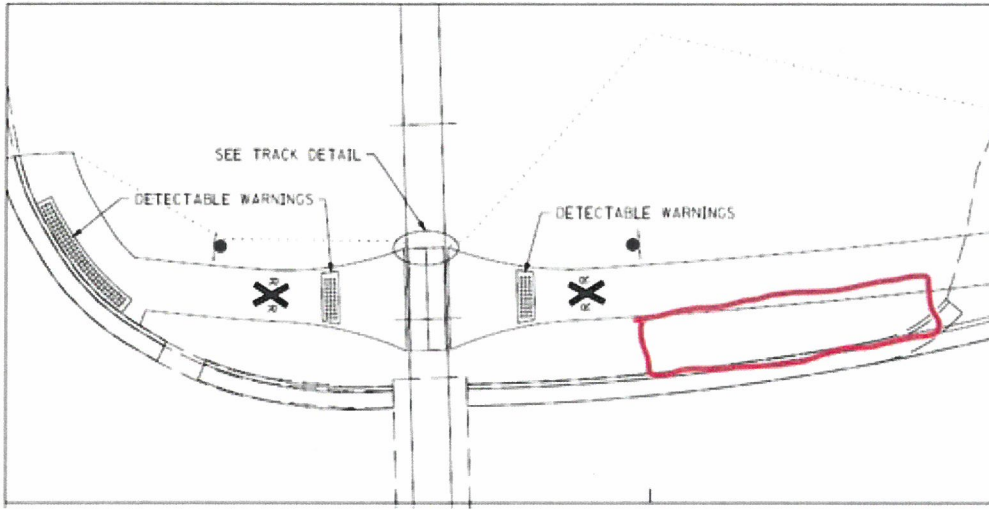

All,

The potential costs to proceed with finishing up the Frankfort Ave. sidewalk connection to River Road are as follows:

RR Coordination & Design Fee = \$12,000
Railroad Plan Review & Construction Engineering = \$20,000*
RR Flagging (during Construction) = \$11,000*
Construction (under PW Annual Contract) = \$10,000*
*estimated

Total = \$53,000

The design fee has 2 options planned in it. One, Plan A is to go with the planned design off the roadway. I am planning on a Plan B design where we keep along the exist. roadway. The proposed sidewalk was actually installed along the curb (as shown in red below). All this depends on what the Railroad will permit within their R/W.

Thanks,
