Subject: Tree Work Cost Estimate for 720 S 45th Street
Attachments: 720S45thSt_CD5_06272017.pdf

CW Hamilton-

Per your request on Service request # 4784240, I inspected the red oak abutting 720 S 45th St (located on Varble). There is crown dieback present but the overall health of the tree is good. I recommend only having a deadwood prune performed to clean up the dead branches (which mostly are on the house side of the tree). I have received the attached cost estimate from Bob Ray to have the work performed---please ignore the second estimate on the attachment for removal. I think they misunderstood my request and included both on just in case.

If CD5 decides to appropriate the funds, the Division will accept and have the work performed by the city contractor. Please let me know if you have any questions.

Thank you. Erin
