

Robert Lee

Robert Lee has over 40 years of experience in the area of environmental management, directing activities in every facet of the business. His experience includes collection, transportation, recycling and disposal of solid waste material, as well as negotiations and implementation of programs for numerous state and local agencies. Over the years, he has been closely involved in environmentally sensitive public relations issues along with local, state, and federal zoning and permitting affairs.

Robert was born and raised in the Louisville and Southern Indiana area. He graduated from Bellermine College with a BA in accounting. He then started his career in the waste management industry by a joining a national firm where he was responsible for all aspects of the business within a four state area. In 1998, Robert created Eco-Tech Environmental and in 2004, signed a long term franchise agreement to manage the Clark-Floyd Landfill. Today he is accompanied by his two sons in the business as well as a number of highly qualified and dedicated employees who assist him in the day-to-day operations of the business.

His professional affiliations include:

- The Board of Governors with the National Waste & Recycling Association
- Kentucky Chairman of the NW&RA
- Jefferson County Solid Waste Advisory Board
- Member of the Solid Waste Association of North America
- Clark County Solid Waste Board
- Creator of 10,000 Tree Initiative
- Corporate/Steward Member of Trash Force, Inc.
- Greater Louisville Inc. Environmental Committee
- One Southern Indiana Inc. Environmental Committee
