i would like to voice my concern for changing the zoning on fhe old muffler shop at 7425 st andrews church road we already have a hard time pulling out so i ask you to vote NO against any changes that would allow a business to come in and have more cars going in and out

We have a lot of traffic with the day care and all the people who live in the neighnorhood We don't want bright lights and cars blocking the sight to pull out We already have so many wrecks at this pull out

Please vote NO

Thank you
