

From Vision to Move

Move Louisville represents a vision and action plan for transportation policy and investment for Louisville Metro. The Plan is a foundation for a connected and sustainable transportation network that will help maintain and expand our city's quality of life and encourage investment, growth and prosperity.

Move Louisville Project Goals:

• provide **CONNECTIVITY**

• improve **SAFETY & HEALTH**

• assure **EQUITY** for ALL system users

• assure **ENVIRONMENTAL SUSTAINABILITY**

• maintain **FISCAL RESPONSIBILITY**

• promote **ECONOMIC GROWTH**

• enhance **NEIGHBORHOODS**

Challenges: Maintenance Backlog

\$288 m

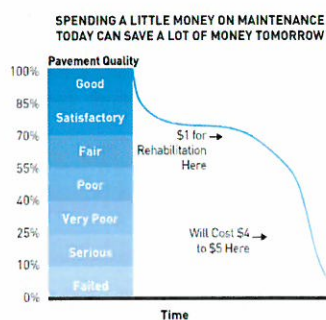

Estimated cost to address transportation infrastructure maintenance backlog

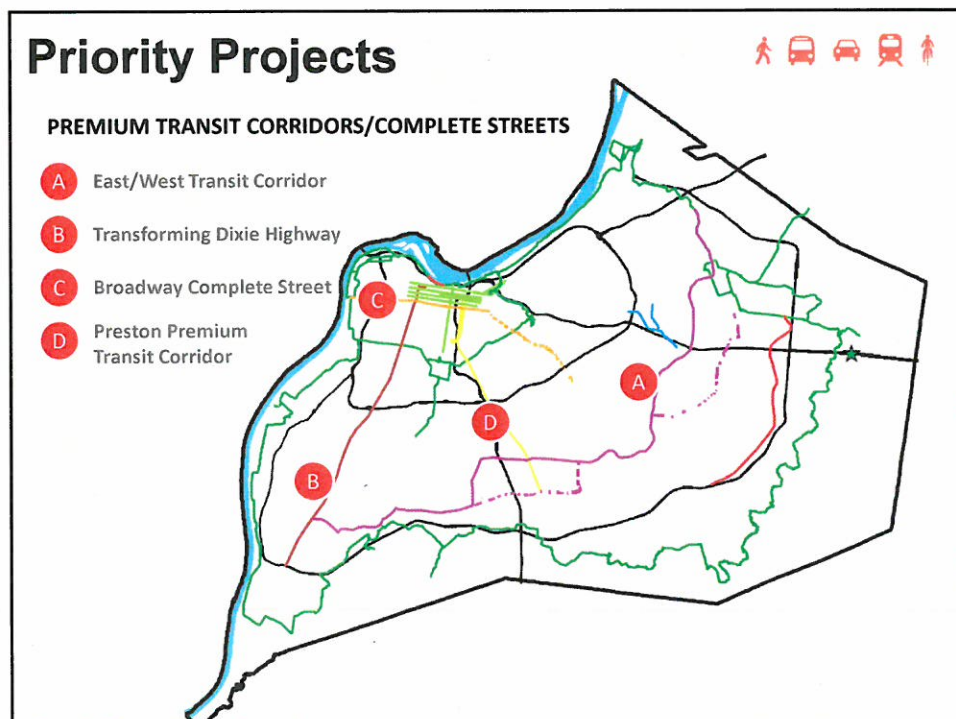

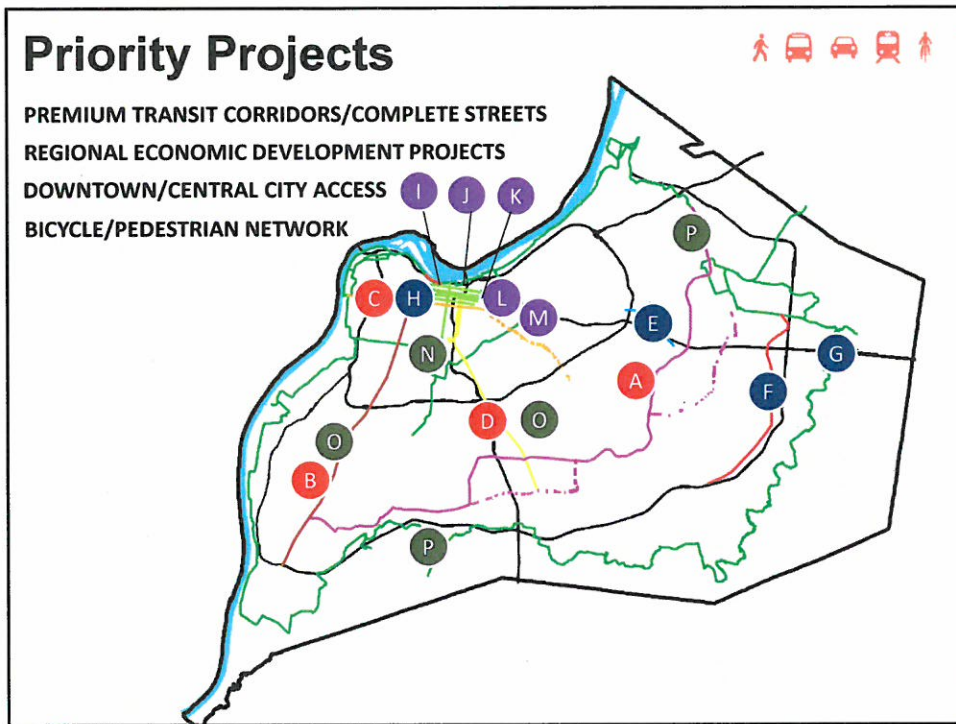

\$112 m

Estimated cost for rehabilitation of roadways

\$17.75 m/year

Estimated annual cost for maintaining Louisville's transportation network without addressing the backlog

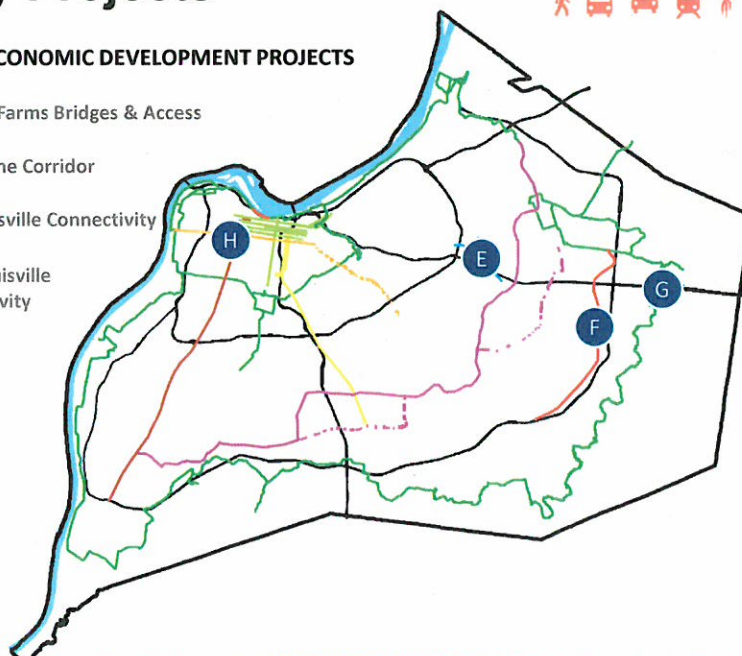

Priority Projects: Broadway Complete Street

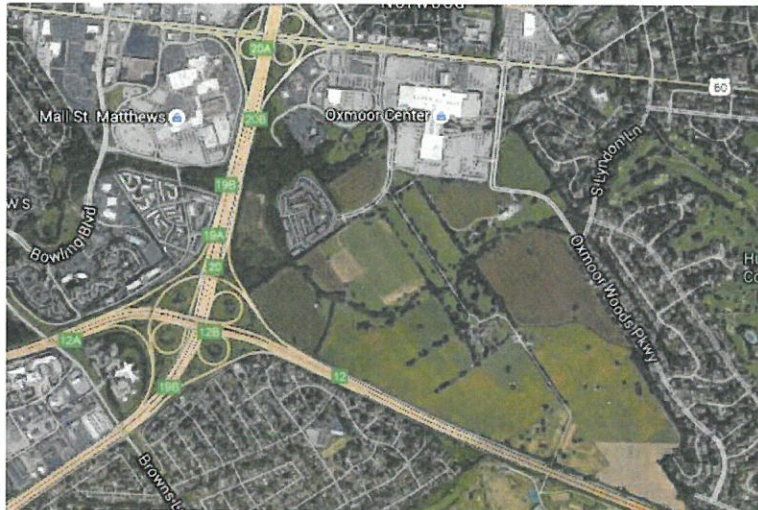

Priority Projects

REGIONAL ECONOMIC DEVELOPMENT PROJECTS

- E Oxmoor Farms Bridges & Access
- F Urton Lane Corridor
- G East Louisville Connectivity
- H West Louisville Connectivity

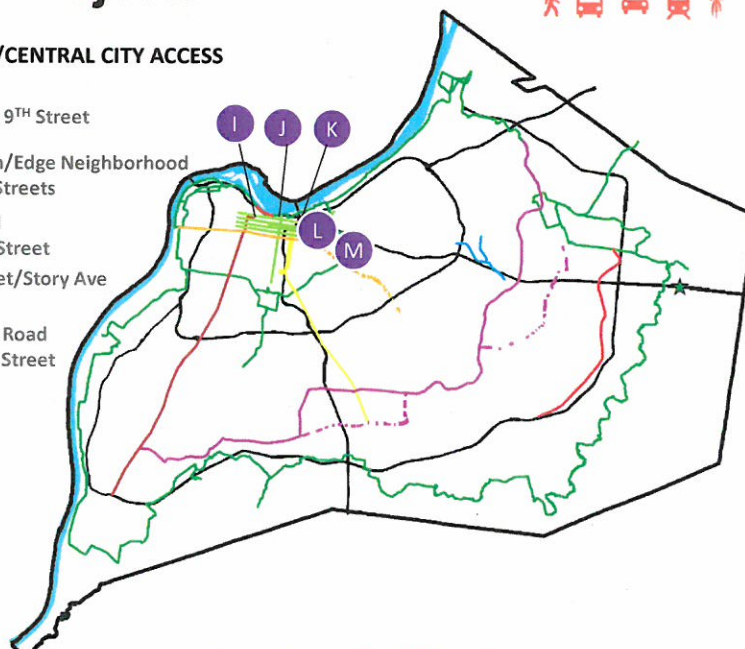

Priority Projects: Oxmoor Farms Bridges & Access

Priority Projects

DOWNTOWN/CENTRAL CITY ACCESS

- I** Reimagine 9TH Street
- J** Downtown/Edge Neighborhood Two-Way Streets
- K** River Road Complete Street
- L** Main Street/Story Ave Redesign
- M** Lexington Road Complete Street

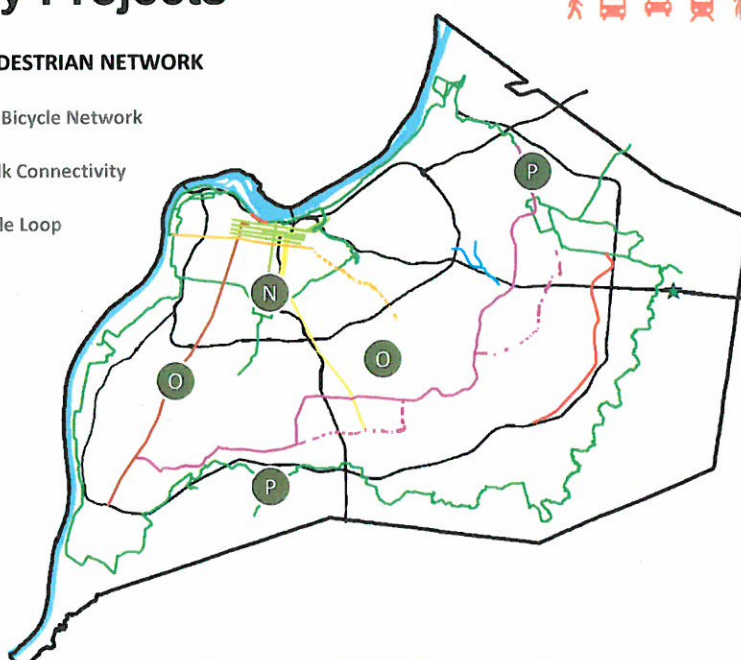

Priority Projects: Reimagine 9th Street

Priority Projects

BICYCLE PEDESTRIAN NETWORK

- N Central Bicycle Network
- O Sidewalk Connectivity
- P Louisville Loop

Priority Projects:

Louisville Loop

Priority Policies

As important as the projects themselves, Louisville can achieve the transportation system it wants and needs through policy approaches

Shift & Increase Funding Allocations

Streamline Transit Service on Key Corridors

Make Complete Street Principles the Norm

Set Policy on Preferred Freight Routes

Prioritize High Capacity Corridors

Manage Parking

Consider Transit a Catalyst for Infill Development

Embrace Smart Mobility

Priority Policies:

Funding Gap

\$1.4B

Total recommended priority capital spending over the next 20 years

\$69.7 m/year

Annual recommended capital spending over the next 20 years

\$55.7 m/year

Annual **Gap** between current and recommended capital funding

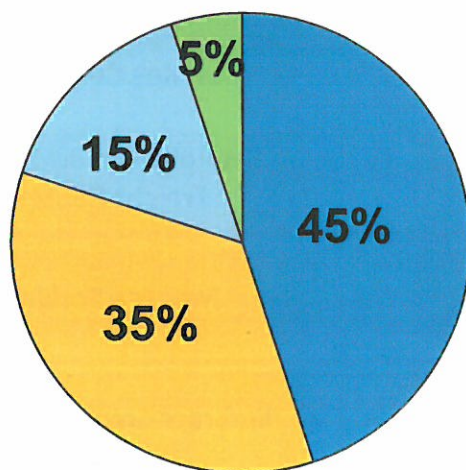

Priority Policies:

Funding

Recommended Annual Funding Allocation

Assumes transportation capital funding at \$69.7 m/year

- System Preservation
- Priority Projects
- Bicycle/Pedestrian
- Other Projects

Why Move Louisville?

Intended Outcomes of Priority Projects & Policies

Fix it First

Improved Air Quality

**Reduce VMT/Improve
Connectivity**

Health and Safety

Movement of Goods

Access to Jobs

Fix it First
