Subject: Honorary Street Sign - "Augusta Y. Thomas Way"

Good afternoon Mr. Hines and Mr. Fowler,

Councilwoman Shanklin intends on having me submit the attached resolution for an honorary street sign to be placed at the corner of Ilex Ave. and Shasta Trl. that reads "Augusta Y. Thomas Way." Our office will be paying for the cost of the sign, and I intend on submitting a CIF for this cost at the same time as the resolution paperwork—I'm hopeful, next week, assuming we hit no snags.

I just wanted to reach out to you, **Mr. Hines**, to make sure that this sign could be fabricated and to see how much funding should be allocated to cover its creation, assuming so. Also, could you indicate that Public Works would be willing to accept the funding for the amount necessary for the street sign from our office's CIF (again, assuming that there is not a problem in getting this accomplished).

Also, I wanted to make you, **Mr. Fowler**, aware that this street sign resolution would likely be coming down the pipeline next week from our office, assuming no issues pop up. Ms. Harward at the Clerks Office indicated that you typically work with Council offices on such resolutions, so I wanted to go ahead and reach out with a heads up that this should be coming.

If either of you all have any issues or concerns prior to me filing this paperwork next week, feel free to reach out. Otherwise, I'll keep an eye out for the cost estimate for the sign, as well as the acceptance from PW to receive our office's CIF funding to cover its cost.

Thank you all,

Caleb Howard
