BUSINESS SESSION

CASE NUMBER 19VARIANCE1024

00:04:45 Board Members' deliberation

00:04:59 On a motion by Member Howard, seconded by Vice Chair Fishman, the following resolution, based upon the Standard of Review and Staff Analysis, the testimony heard today, and the site being such an irregularly shaped lot there will be no adverse impact on anyone, was adopted:

WHEREAS, the Louisville Metro Board of Zoning Adjustment finds that the requested variance will not adversely affect the public health, safety or welfare as the subject property is large and the variance would not be required in any other zoning district according to section 9.2.Q of the City of Anchorage Development Code, and

WHEREAS, the Board further finds that the requested variance will not alter the essential character of the general vicinity as the garage is not visible from the right-of-way and the City of Anchorage will need to approve the proposal as well, and

WHEREAS, the Board further finds that the requested variance will not cause a hazard or nuisance to the public as the property is large and the garage will still be setback a significant distance from the rear property line, and

WHEREAS, the Board further finds that the requested variance will not allow an unreasonable circumvention of the zoning regulations as the property is irregular in shape and there are multiple rear property lines; now, therefore be it

RESOLVED, the Louisville Metro Board of Zoning Adjustment in Case Number 19VARIANCE1024 does hereby **APPROVE** Variance from Anchorage Development Code Section 4.2.C.2.d to allow a structure to encroach into the required rear yard setback (**Requirement 50 ft., Request 39.86 ft., Variance 10.14 ft.**).

The vote was as follows:

Yes: Members Howard, Turner, Leanhart, Vice Chair Fishman, and Chair Young

Absent: Members Buttorff, and Jagoe

CASE NUMBER 19VARIANCE1018

The following spoke in opposition of the request:

No one spoke.

00:12:24 Board Members' deliberation

00:12:31 On a motion by Member Howard, seconded by Member Turner, the following resolution, based upon the Standard of Review and Staff Analysis, the testimony heard today, and the applicant's justification, was adopted:

WHEREAS, the Louisville Metro Board of Zoning Adjustment finds that the requested variance will not adversely affect the public health, safety or welfare as the structure will be constructed to comply with all building codes, including fire codes, and

WHEREAS, the Board further finds that the requested variance will not alter the essential character of the general vicinity as the property is at the end of a cul-de-sac and there is a variety of development types in the immediate area, and

WHEREAS, the Board further finds that the requested variance will not cause a hazard or nuisance to the public as the proposed addition will not be close to any existing structures on neighboring properties, and

WHEREAS, the Board further finds that the requested variance will not allow an unreasonable circumvention of the zoning regulations as the property narrows toward the road, which is where the existing structure is located, and

WHEREAS, the Board further finds that the applicant's justification statements adequately justify this request; now, therefore be it

RESOLVED, the Louisville Metro Board of Zoning Adjustment in Case Number 19VARIANCE1018 does hereby **APPROVE** Variance from Land Development Code Table 5.3.1 to allow a structure to encroach into the required side yard setback (**Requirement 6 ft. PUBLIC HEARING

CASE NUMBER 18CUP1157

00:30:09 Beth Jones responded to questions from the Board Members (see recording for detailed presentation).

00:31:35 Board Members' deliberation

00:31:43 On a motion by Vice Chair Fishman, seconded by Member Howard, the following resolution, based upon the Standard of Review and Staff Analysis, and the presentation, was adopted:

WHEREAS, the Louisville Metro Board of Zoning Adjustment finds that the proposal is consistent with Comprehensive Plan policies, and

WHEREAS, the Board further finds that when appropriately managed, the proposed use is compatible with surrounding development and land uses. No exterior construction or alterations to the building or the site appear to be required, and

WHEREAS, the Board further finds that the subject property is served by existing public utilities and facilities. The proposal does not appear to create substantial additional requirements for the site, and

WHEREAS, the Board further finds that:

A short term rental of dwelling unit that is not the primary residence of the host in a R-R, R-E, R-1, R-2, R-3, R-4, R-5, U-N, R-5A, R-5B, R-6, R-7 or R-8A district and a short term rental of any dwelling unit in a TNZD district may be allowed upon the granting of a Conditional Use Permit. In addition to any conditions of approval, a short term rental and its host shall meet the following requirements:

- A. The maximum stay for a guest shall be 29 consecutive days. A dwelling unit rented to the same occupant 30 consecutive days or more is not considered a short term rental.
- B. The dwelling unit shall be limited to a single short term rental contract at a time.
- C. At no time shall more persons reside in the short term rental than two times the number of bedrooms plus four individuals. **The first-floor unit includes one bedroom; up to six guests are permitted. the applicant plans to**

CASE NUMBER 19CUP1024

00:50:32 Board Members' deliberation

00:50:51 On a motion by Member Leanhart, seconded by Member Turner, the following resolution, based upon the Standard of Review and Staff Analysis, and the testimony heard today, was adopted:

WHEREAS, the Louisville Metro Board of Zoning Adjustment finds that the proposal is consistent with the Comprehensive Plan, and

WHEREAS, the Board further finds that the proposal is compatible with surrounding uses and with the general character of the area, and

WHEREAS, the Board further finds that the proposed development does not appear to substantially increase demands on public infrastructure and facilities. The site is not served by public sewers; the applicant has been informed that review and approval of the septic system by Louisville Metro Dept. of Public Health & Wellness must be obtained before a building permit will be issued, and

WHEREAS, the Board further finds that:

Accessory Apartments may be allowed in the R-R, R-E, R-1, R-2, R-3, R-4, R-5 and U-N districts upon the granting of a conditional use permit and compliance with the listed requirements:

- A. The principal and accessory dwellings shall be owned by the same person(s). Occupancy of the accessory unit shall occur only while the property owner(s) resides in the principal dwelling on the premises.
- B. The accessory apartment shall be no greater than 650 sq. ft. or 30% of the floor area of the principal residence, whichever is greater.
- C. If the accessory apartment is located in a freestanding structure, it shall not exceed the height of the principal residence. In the TNFD, permissible height shall be as allowed by the form district regulation, unless the Board approves a differing height. In all other form districts, if the freestanding structure is located within 25 feet of a property line, the height of the structure shall not exceed the average height of accessory structures on abutting parcels or 15 feet, whichever is greater, unless the Board finds that a different height limit is appropriate. **The height of the proposed accessory apartment will not exceed the height of the principal residence.**
