

CLOVERLEAF BAPTIST CHURCH

GEOFF LACEFIELD, Pastor
4401 Manslick Road - Louisville, Kentucky 40216

Office: (502) 367-0218 - Home: (502) 448-7279

August 26, 2021

To Whom It May Concern:

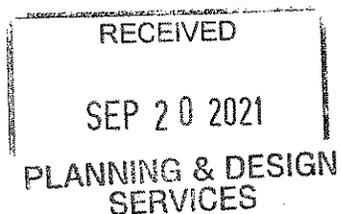

A public meeting was held on August 26, 2021 to address the CUP application to build a two-car garage at Cloverleaf Baptist Church, 4401 Manslick Rd. The meeting was held between 7:00pm and 8:00. In attendance were three representatives from the church. There were no representatives from the neighborhood invitees in attendance. Please let me know if you have any additional concerns or questions.

In His Service,

Theresa Wyatt

Re: Construction of new garage

Date: February 1, 2021

On September 30, 2019, the congregation of Cloverleaf Church voted, after entertaining bids from several companies, to contract with The Howell Company to have a new garage built. The new garage was deemed necessary due to acts of vandalism and theft to our church van earlier in the year.

The new garage is to be built on the site of our former garage which was taken down several years ago. It will be a 24 X 24 structure suitable for two vehicles. Since the new garage will essentially occupy the same space as the old garage there will be no loss of parking spaces. The garage is to be built at a cost of \$23,000.

4401 Manslick Road - Louisville, Kentucky 40216

Description of Proposed Cloverleaf Baptist Church Garage

The proposed Cloverleaf Baptist Church garage is to be built by the Howell Company of Louisville. It is to be a 24 by 24 cinder block building capable of holding two vehicles. It is to be located on the northeast portion of our property at 4401 Manslick Road, 40216. It is to be adjacent to the back asphalt parking lot. It is to be built approximately 25 feet from the property entrance located on Old Manslick Road behind the church. Old Manslick Road dead ends at the Watterson Expressway, negating any thru traffic concerns.

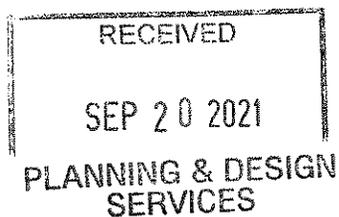

MSD, DPW, and LG and E have already signed off on the project. Included you will find their notifications.
