My understanding is that LMPD will be paying this invoice to TWC monthly not Technology.

We could possibly setup handling the TWC portion. I've copied Terri Yates to see what would be needed.

Amy McIntyre with LMPD said they are not equipped to handle the twc billing.

Carrie,

I believe LMPD would act as the fiscal agent for this particular project.

Thanks,
Chris

Chris,

A few weeks ago we spoke about Councilman Magre installing an LMPD camera in District 10. Below is a cost breakdown of the camera and one years-worth of TWC service for it's operation. Will Technology act as a fiscal agent and accept an appropriation of these funds for the camera and service costs. If so, we anticipate on having this item filed and heard in the next meeting cycle.

Sincerely,

As discussed, I will need your permission to sign the NDF and CIF for the LMPD camera and service respectively. This permission needs to be e-mailed to Stephen Ott.
