Thanks Beth!

Jay,

Please see the conversation below and attached above as to Addressing/Emergency Services and Highview Fire's review and approval of the revised plan with changing the street name at the eyebrow. Please let me know if there are any other remaining concerns to be addressed or if this request can be docketed. Thank you!

Kind regards,

Kathy,

I just heard back from the Fire Department that they are good with the revised plan.

Kathy,

This looks great; let me share the revised plan with Highview Fire and I'll get back to you with their feedback.

Beth,

Your help in coordinating with Highveiw Fire is appreciated. We have taken the response you forwarded from Deputy Chief Dwyer in consideration and hope the attached can receive preliminary approval. We went a step further and are proposing an island with 18' lanes on either side that will in addition to creating a logical location for the street name change will hopefully be a means to slow down traffic within the subdivision.

Kind regards,
