LMPD does not have unspent NDF funds from council 14. Once funds are processed through the Council's NDF process, I will notify Major Harper of the funds available and financial unit for tracking these expenses.

Amy,
Councilwoman Fowler has reached out to Major Harper in the LMPD 3rd Division to provide funding for overtime activity in Council District 14.

1. Are there any funds currently in our overtime account for District 14?
2. If not (or it is insufficient) we would like to transfer \$1500 from our Neighborhood Development Funds to the LMPD District 14 overtime account. Please respond that there are no issues transferring the funding and I can process the paperwork.

I would appreciate a prompt response.
Please don't hesitate to contact our office if you have any questions or concerns.

Thanks!

You are absolutely correct, and I completely overlooked coordinating. My apologies.
Councilwoman Welch – you also had done the same thing a few months ago.

What I suggest is communicating with Amy Mctyeire of OMB, notifying her that you both wish to put funds in your district accounts for Overtime purposes for officers of the 3rd Division. For the specific purposes of providing when directed added patrol efforts/enforcement in your council district areas. I also suggest when inquiring about doing this to ask if there are funds left over from previous years that are available. Once a confirmation is made that funding is available we can be notified to use them for purposes you specified.

Thanks

Jimmy,
My assistant sent this to you over a month ago.
I'm willing to fund overtime so that we can crack down on some issues but I need you to respond that you are accepting the funding. If you could also give us the contact info for your OMB coordinator so that they can set up the appropriate accounts.
I appreciate your efforts in this matter.
Cindi
