Hello Craig,

We received a call from a constituent at the above address seeing if we could get the above sidewalk fixed. She states her mother needs to go on walks for her therapy and the sidewalk is crumbling. Could you please give us a price quote and we could check our budget for getting this sidewalk repaired.

Thank you,

Hi Cindy,

I can definitely get the quotes you need for Ethan Allen Way. These locations wouldn't go out to bid. Metro already has an annual contract with fixed unit prices which we would use. I'll be working on these this afternoon.

Hello Craig,

I am following up on the below email. I had not heard from you.

I am wondering if it is too late in the year to get this done this year?

We will probably submit the CIF the first of the year, depending on cost. However, we would like to know the cost, so we can budget this money.

Thank you,

Cindy Thieneman

Hello Craig,

Hope you are staying safe and well.

Councilwoman Fowler would like to use CIF funds to complete the following sidewalks that we have had on the list since 7-6-18 and 1 that we just submitted on Ethan Alan Way. We have quotes dating back to 2018. Could you please let us know the new quote prices on the following addresses. She believes that since we are doing several on the same street, that should yield a lessor cost.
