DESIGN SERVICES

The proposed project consists of a 3,148 sq.ft. restaurant on 1.742 acres at the northeast corner of Bardstown Road and Brentlinger Lane. The proposed restaurant location is currently vacant. There is an existing building on the 1.742 acres that is currently doing business as Waffle House. There will be two direct access points to the proposed building, one off of Bardstown Road (right in/right out only) and a full access off of Brentlinger Lane.
