Re: Sole Source – YMCA of Greater Louisville, Inc.

The YMCA Safe Place provides shelter as an alternative to detention for youth in cases where the offense is non-violent or minor in nature, such as shoplifting, being reported as a runaway or status offenses (such as truancy). This serves the purpose of keeping the limited space available at the Youth Detention Center open for greater needs and providing a place for parents to locate youth that have been removed from unsafe or disruptive situations by LMPD. LMPD takes the youth directly to the YMCA Safe Place and they are not processed in the Youth Detention Center.

The YMCA is a partnering agency in Metro's Field Release Program working through schools and LMPD. Any change to the existing operation workflow resulting from a bid process would significantly impact the efficiency of the department, limited available space at the center and processes for LMPD as they relate to the youth qualified to enter the YMCA Safe Place.

Should you need any additional information, please let me know. Thank you.

1. Contractor will comply with the Prison Rape Elimination Act (PREA):

- The contracting organization and all its employees shall adhere to 28 CFR 115, Prisons Rape Elimination Act: Juvenile Facility Standards.
- All persons who may have inmate contact shall complete PREA training per Department policy and procedure and the aforementioned PREA Standard for Juvenile Facilities.
- Any subcontracts made by the contractor shall require compliance with both these statements as well.

THIS CONTRACT, made and entered into by and between the **LOUISVILLE/JEFFERSON COUNTY METRO GOVERNMENT**, by and through its **DEPARTMENT OF YOUTH DETENTION SERVICES**, herein referred to as "**METRO GOVERNMENT**" or "**LMYDS**", and **THE YOUNG MEN'S CHRISTIAN ASSOCIATION OF GREATER LOUISVILLE**, with offices located at 2400 Crittenden Drive, Louisville, Kentucky 40217, herein referred to as "**CONTRACTOR**",

WHEREAS, the Contractor has been determined by the Metro Government to be a sole source (Sole Source 94) to provide those services,

NOW, THEREFORE, it is agreed by and between the parties hereto as follows:

I. SCOPE OF SERVICES

A. Contractor shall, at the request of the Metro Government, provide services under the terms of this Agreement. The Contractor's work product may be reviewed from time to time by the Metro Government for purposes of determining that the services provided are within the scope of this Agreement.

However, at no time shall the Metro

Government make available its resources without the full consent and understandings of both parties.

C. The services of Contractor shall include but not be limited to the following:

The Contractor will be responsible for providing these services and the collection of all necessary data.

D. The work product or deliverables of Contractor shall include but not be limited to the following:

1. Data elements to be collected include:

II. FEES AND COMPENSATION

A. B. This Agreement may be terminated by submitting thirty (30) days' written notice to the non-terminating party of such intent to terminate. This Agreement may also be terminated by any party, without notice to the non-terminating party, because of fraud, misappropriation, embezzlement or malfeasance or a party's failure to perform

C. In the event of termination, payment for services complete up to and including date of termination shall be based upon work completed at the rates identified in this Agreement.

IV. EMPLOYER/EMPLOYEE RELATIONSHIP

It is expressly understood that no employer/employee relationship is created by this Agreement nor does it cause Contractor to be an officer or official of the Metro Government. By executing this Agreement, the parties hereto certify that its performance will not constitute or establish a violation of any statutory or common law principle pertaining to conflict of interest, nor will it cause unlawful benefit or gain to be derived by either party.

V. RECORDS-AUDIT

Contractor shall maintain during the course of the work, and retain not less than five years from the date of final payment on the contract, complete and accurate records of all of Contractor's costs which are chargeable to the Metro Government under this Agreement; and the Metro Government shall have the right, at any reasonable time, to inspect and audit those records by authorized representatives of its own or of any public accounting firm selected by it. The records to be thus maintained and retained by Contractor shall include (without limitation): (a) payroll records accounting for total time distribution of Contractor's employees working full or part time on the work (to permit tracing to payrolls and related tax returns), as well as canceled payroll checks, or signed receipts for payroll payments in cash; (b) invoices for purchases receiving and issuing documents, and all the other unit inventory records for Contractor's stores stock or

This Hold Harmless and Indemnification Clause shall in no way be limited by any financial responsibility or insurance requirements and shall survive the termination of this Contract.

VIII. REPORTING OF INCOME

The compensation payable under this Agreement may be subject to federal, state and local taxation. Regulations of the Internal Revenue Service require the Metro Government to report all amounts in excess of \$600.00 paid to non-corporate contractors.
