

Karyn B. Hascal

RESUME

Professional Goal: To seek a leadership position in substance abuse field using my clinical and managerial experience with substance abuse programs and with public-private partnerships.

PROFESSIONAL EXPERIENCE

March 2009 to Present

The Healing Place, 1020 West Market Street, Louisville, KY 40202

Position: President/CEO

Duties and Responsibilities:

- Provide strategic direction and operational guidance to all agency programs for clients (over 1,000 per day), including health services and continuing care.
- Ensure the integrity and resilience of THE HEALING PLACE model; continually assess its viability and relevance to the field of intervention and addiction recovery. Foster a climate of openness, experimentation and rapid feedback to test ways to extend the agency's reach and strategic impact.
- Serve as the principle advocate for Mission Advancement, including furthering the existing model, testing new initiatives, enhancing the THP brand, and testing the boundaries for breakthrough improvements in the field of intervention, prevention, and addiction recovery.
- Provide oversight and direction to all aspects of replication.
- Provide strategic guidance with respect to the on-going development of the organization's structure, including renewal and redesign processes, to ensure improved efficiencies and effectiveness.
- Working with the executive team, develop short and long-range business plans and strategies to enhance the overall success of the organization.
- Drive the development of mission-oriented performance metrics and outcome measures; provide oversight in monitoring performance.
- Enhance the reputation of THE HEALING PLACE as a leader and recognized resource for the homeless population and chemically dependent.
- Educate the community, legislators, faith-based community, and general public with respect to the needs of the homeless and chemically dependent.

- Maintain awareness of applicable regulatory requirements and marketplace factors affecting the homeless and chemically dependent.

November 2004 to March 2009
