Good afternoon Jeff-

Please find attached the cost estimate for the removal and replacement of the of the public right of way tree abutting Mr. Frank Farmer's property at 3307 Furman Blvd. If council proceeds with appropriation of funds to cover this cost, The Division will accept the funds and ensure that the work is performed. If council does not proceed with the fund appropriation in the next 60 days, council needs to confirm with the Division that the costs are still applicable. Mr. Farmer will be responsible for the maintenance of the tree according to LMCO 102 and will be asked to sign the attached agreement acknowledging the ordinance and his responsibility. The attached watering instructions will be provided to Mr. Farmer for the first three years of water maintenance.

I look forward to hearing from council if fund appropriation will proceed.
Thank you, Erin
