Summary of Proposed Changes to the NDF/CIF/PAV/MAP Forms

April 2016

Proposed Change	Reason for Change
<p>Council Originated NDF:</p> <ol style="list-style-type: none"> 1. Changed Council Member to Primary Sponsor 2. Added requirement to describe the public purpose and acknowledgement that the funds will be spent for a public purpose. 3. Added Entity Contact Information 4. Added Conflict of Interest Disclosure 5. Removed Clerk Only Section 	<ol style="list-style-type: none"> 1. The first page is designated for primary sponsor – others sign on the second page. Changing the signature line reduces confusion. 2. Required on “regular” NDF requests directly from non-profit applications but not required on a Council Originated Application. This change would make both requests consistent. 3. The Clerk’s office needs this information in order to mail the grant agreement to the organization and who to contact with a question. 4. The current form does not have a place to disclose conflict of interest between the entity and Metro Louisville. 5. The section is no longer used by the Clerk’s Office.
<p>Not-for-Profit Transmittal and Approval Form:</p> <ol style="list-style-type: none"> 1. Changed Council Member to Primary Sponsor 2. Moved “Applicant Requested Amount” from Clerk’s Only block to first block and added “Appropriation Request Amount:” 3. Removed “Requested Amount, Committee Amended Appropriation, Original Appropriation, Council Amended Appropriation” for the Clerk’s Section and added “Final Appropriation Amount.” 	<ol style="list-style-type: none"> 1. The first page is designated for primary sponsor – others sign on the second page. Changing the signature line reduces confusion. 2. Both amounts at the top of the form will be completed by the Primary Sponsor and available for the Clerk to write the title and the Committee for requested amount versus amount to be appropriated. 3. Eliminated the information moved in #2 above and added a line to report the total appropriation to be in the grant agreement.
<p>Louisville Metro Council City Agency Request: Added: “... and have attached documentation from the receiving department concerning the project/expenditure.” To the disclosure statement required by the Council Member.</p>	<p>The Clerk’s office often has to remind District Offices to include document from the department explaining the project and funding requirements</p>
<p>All Transmittal and Approval Forms:</p>	

<p>Changed the signature lines to preprinted district numbers.</p>	<p>Preprinting the district numbers will eliminate the risk of charging funding to the wrong council district because the Clerk or OMB misread the writing.</p>
<p>NDF application Section 2 –</p> <ol style="list-style-type: none"> 1. Deleted “List of Board of Directors (include term and term limits)” 2. Deleted “Staff including the 3 highest paid staff” 3. Added “(current & signed)” after Articles of Incorporation 4. Changed “if required” to “if applicable” after Faith Based Organization Certification Form 	<ol style="list-style-type: none"> 1. A new page and new section 4 of the application is being proposed to eliminate the confusion of what is required and minimize time looking for the information in the application packet. A large percentage of applications do not include a description of board term limits and some do not include the end of the term for each board member. 2. The second part of the new page described in #1 above is a place for the required information concerning paid staff. Many applications do not include the salary amount of the 3 highest paid employees. The information being requested on this new page should eliminate that confusion. 3. Many applicants do not provide a signed or current copy of their Articles of Incorporation. This change is to clarify what is needed. 4. Clarified that we only need that form if the entity is a Faith Based Organization.
<p>NDF application Section 6 Program/Project Budget Summary and new page 8 Changed wording from “(Attach Detailed List)” to “(see Detailed List on page 8). A new page 8 has been added</p>	<p>Applicants are required to detail expenses for Client Assistance, Community Events & Festivals and Other Expenses on a separate sheet. Those sheets are sometimes hard to find or not in the packet. If they are in the packet, the majority of the time they only include the detail of the Metro requested funds and not the Non-Metro Funds. By adding another page the needed information is in a chart to be completed by the applicant and eliminates the confusion of the needed information.</p>

Additional Consideration of Form Changes

After NDF approval the Clerk's office sends a letter (attached) with the grant agreement to be completed and returned. In that letter they are reminded of the following:

"Please note that pursuant to Metro Council Policies and Procedures, if we do not receive the executed grant agreement within ninety (90) days of this letter, the grant approval by the Metro Council will automatically be revoked, rescinded and the funds will not be disbursed to your organization."

Although this language is on page 8 as part of the Standard Assurances (attached), it has been recommended #11 be in bold print and the wording changed from:

"11. Applicant understands if the grant agreement is not returned to Louisville Metro within 90 days of its mailing to the applicant, the approval is automatically revoked."

To:

"11. Applicant understands if the grant agreement is not returned to Louisville Metro within 90 days of its mailing to the applicant, the approval is automatically revoked and the funds will not be disbursed to our organization."
