That is for two lights and Public Works will accept the funds for the LGE leased streetlights

Thanks, Jeff.

Is the cost \$2,454 for each light?

Will Public Works accept the funds?

Thanks,
Kyle

It sounds like the best plan to move forward is to go ahead and lease two streetlights from LGE, on the west side of Frankfort with a pole on either side of the overpass. These would be Type C LED plus wooden poles so the 5-year lease would be \$2,454.
