Councilman – Is it okay if I sign for a \$3,400 transfer from D21 CIF to Public Works for the anticipated price difference to include 4" solid white edge lines on Ashland Ave from Bellvue Ave to Taylor Blvd? Attached is the CIF paperwork

Thanks

Bryan,

Per our discussion a minute ago, to restripe the above listed section of roadway in thermoplastic paint to delineate the 4" double yellow centerline and 4" solid white edge lines it will cost approximately \$3,400. This will delineate travel lanes and parking lanes.

Matt,

If this is approved quickly, could this be included as a part of the paving effort? Of course, it will be funded by D21. If not, I can put in the request for Reynolds to schedule the installation at their earliest convenience.

Please let me know if any of you have any questions or if you would like to discuss this matter further.

Kindly,
