REQUEST

Conditional Use Permit to allow short term rental of dwelling units located in the TNZD (LDC 4.2.63)

CASE SUMMARY / BACKGROUND

The applicant proposes to conduct a short-term rental of two dwelling units within a duplex residential structure. As the site is located within the Old Louisville / Limerick TNZD, a Conditional Use Permit is required.

The site is located on the east side of S. 1st Street between E. Kentucky and E. St. Catherine Streets. It is adjoined by multi-family use to the north, single-family use to the south, and public/semi-public uses to the east and west.

The structure contains two dwelling units with separate street addresses. The first-floor unit (1021) will be immediately available for short-term rentals. The second floor unit (1023) is currently under a long-term lease and may in the future also be used for short-term rentals. According to the applicant, each unit contains two bedrooms; LDC regulations permit eight guests in each.

STAFF FINDINGS

Based upon the information in the staff report and the testimony and evidence provided at the public hearing, the Board of Zoning Adjustment must determine if the proposal meets the standards established in the LDC for a Conditional Use Permit
