

Case No. 16VARIANCE1000

11304 Professional Park Drive

**Louisville Metro Board of Zoning Adjustment
Public Hearing**

**Laura Mattingly-Humphrey, Planner I
February 15, 2016**

Request

- Variance from Chapter 5.3.1, Table 5.3.1 of the Land Development Code to allow parking to encroach into side yard setbacks on Tract #1.
- Variances from Chapter 5.3.1, Table 5.3.2 of the Land Development Code to allow existing structures and parking to encroach into the 30' non-residential to residential setback along the property lines of Tracts #2, #3 & #4.

Case Summary / Background

- Original proposal was for 14 one-story office buildings. Three of these have been constructed.
- The applicant is proposing nine two-story apartment buildings and the division of the property into 4 new tracts.
- Due to the new lot lines being drawn, variances are required where existing buildings and parking encroach into required setbacks.

Applicable Plans & Policies

- Cornerstone 2020
- Land Development Code (revised December 2015)

Technical Review

- Plan has received preliminary approval from MSD and Transportation
- The required waivers and development plan will be heard by the Development Review Committee on February 17th, 2016. A condition of approval is that a Joint Parking Agreement must be submitted to satisfy a 10 space parking deficiency on Tract 1.
- The required minor plat to create the new tracts has been submitted by the applicant and is currently under staff review.

Staff Analysis and Conclusions

- The variance requests do appear to be adequately justified and meet the standard of review.
