SECTION 5 - PROGRAM NARRATIVE
A: Purpose of Request (check all that apply):
☐ Operating Funds (generally cannot exceed 33% of agency's total operating budget)
☐ Programming/services/events for direct benefit to community or qualified individuals
■ Capital Project of the organization (equipment, furnishing, building, etc)

B: Describe the program/project start and end dates, a description of the program/project and applicable data with regards to specific client population the program will address (attach related flyers, planning minutes, designs, event permits, proposals for services/goods, etc):

Eisenhower would like to improve their current playground area for their students and community. At this time Eisenhower provides a nice walking track and a small playground to the students and community neighborhood. The current playground offers two sets of swings, one slide, and a spring rider. Eisenhower is planning to expand the playground to include equipment that will encourage more physical movement and play. This expansion will provide children with opportunities to increase their upper body strength, improve balancing, increase physical movement and cooperative play. The start date of this project is set to begin January 1, 2014 and complete installation to be June 30, 2014.

The client population that this project will impact is Eisenhower's students during school hours and the Pleasure Ridge Park area residents. Eisenhower welcomes community families to utilize and enjoy the amenities of Eisenhower's walking track and current playground. With the expansion of the playground we expect that more families within the community will take advantage of the outdoor space and equipment. Providing an expanded playground will increase the physical activity of the youth in the community and will encourage adults to take advantage of the current walking track.

C: Describe specifically how the funding will be spent including identification of funding to subgrantee(s):
The funding will be spent directly on the proposed playground materials.
D: For Expenditure Reimbursement Only - The grant award period begins with the Metro Council Appropriation Committee approval date
and ends on June 30 of the fiscal year in which the grant is approved. If any part of this funding request is for funds that will be spent
before the grant award period, identify the applicable circumstances:
☐ The funding request is a reimbursement of the following expenditures that have occurred prior to the application date:  ✓ Attach a copy of invoices and/or receipts to provide proof of purchase of activities associated with the work plan identified in this
application.
Attach a copy of cancelled checks to provide proof of payment of the invoices or receipts associated with the work plan identified in this
application.
NA
☐ The funding request is a reimbursement of the following expenditures that will be incurred after the application date, but prior to the
Metro Council approval date. This option will allow expenditures occurring within this time frame to be considered compliant with the
grant agreement.
If selecting this option, the invoice, receipt and payment documentation should not be available as of the date of this application.
✓ The Grantee will be required to submit financial reporting in accordance with the reporting schedule provided in the grant agreement.
NIA
NA

E: If this request is for a fundraiser, please detail how the proceeds will be spent: N/A
F: Briefly describe any existing collaborative relationships the organization has with other community organizations. Describe what those partners are bringing to the relationship in general and to this program specifically.  Eisenhower is working directly with the Eisenhower PTA in securing the funds for the playground expansion. The PTA have secured \$25,056.00 to go toward the purchase of the playground materials.
expansion the Fixthare decared \$20,000.00 to go toward the paronage of the playground materials.

G: Describe the program's benefits to those being served (measurable outcomes). Include the program's process for collecting data and the indicators that will be tracked to measure the benefits to those being served:

The students and community members being served by the updated and expanded playground equipment will benefit from increased cardiac-respiratory endurance, muscle strength and endurance, and balancing. Eisenhower students currently participate in the Health Promotions Schools of Excellence (HPSE) program. This program test student fitness in the areas of body mass index, cardiac-respiratory endurance, flexibility, and muscle strength and endurance. The results of the test are calculated and presented to the student and their parents as a Health Fitness Report Card. This report card is completed twice a year with the students individual results in all areas. Teachers will ensure that they incorporate the new equipment into to students daily physical activities as weather permits.

Eisenhower's physical education teacher will administer the HPSE fitness testing in the areas of body mass index, cardio-respiratory endurance, flexibility, and muscle strength and endurance in October 2014 and March 2015. The measurable outcome will be that Eisenhower students will improve their individual cardio-respiratory endurance and their muscle strength endurance assessment scores from October 2014 to March 2015.

The community will have access to the playground equipment outside of regular school hours. Eisenhower will have no way of measuring outcomes and assessing individual cardiac-respiratory endurance and muscle strength endurance of the community youth that utilize the playground equipment. However expanding Eisenhower's current playground with equipment that encourages physical movement and increased use of the upper body will provide opportunities to all youth within the community to improve their health and fitness and to live a healthier life.

#### Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- 1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued).
  - 2. Certify that you are not subject to backup withholding, or
- 3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- · A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301,7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- . The U.S. owner of a disregarded entity and not the entity,
- The U.S. grantor or other owner of a grantor trust and not the trust, and
- The U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person, do not use Form W-9. Instead, use the appropriate Form W-8 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

- The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
- 2. The treaty article addressing the income.
- The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
- 4. The type and amount of income that qualifies for the exemption from tax
- Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity not subject to backup withholding, give the requester the appropriate completed Form W-8.

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS a percentage of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

### Payments you receive will be subject to backup withholding if:

- You do not furnish your TIN to the requester.
- 2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),
  - 3. The IRS tells the requester that you furnished an incorrect TIN,
- 4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
- You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See the instructions below and the separate instructions for the Requester of Form W-9.

Also see Special rules for partnerships on page 1.

#### **Updating Your Information**

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account, for example, if the grantor of a grantor trust dies.

#### **Penalties**

Failure to furnish TIN. If you fall to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for faisifying information. Willfully faisifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

#### Specific Instructions

#### Name .

If you are an individual, you must generally enter the name shown on your income tax return. However, if you have changed your last name, for instance, due to marriage without informing the Social Security Administration of the name change, enter your first name, the last name shown on your social security card, and your new last name.

If the account is in joint names, list first, and then circle, the name of the person or entity whose number you entered in Part I of the form.

Sole proprietor. Enter your individual name as shown on your income tax return on the "Name" line. You may enter your business, trade, or "doing business as (DBA)" name on the "Business name/disregarded entity name" line.

Partnership, C Corporation, or S Corporation. Enter the entity's name on the "Name" line and any business, trade, or "doing business as (DBA) name" on the "Business name/disregarded entity name" line.

Disregarded entity. Enter the owner's name on the "Name" line. The name of the entity entered on the "Name" line should never be a disregarded entity. The name on the "Name" line must be the name shown on the income tax return on which the income will be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a domestic owner, the domestic owner's name is required to be provided on the "Name" line. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on the "Business name/disregarded entity name" line. If the owner of the disregarded entity is a foreign person, you must complete an appropriate Form W-8.

**Note.** Check the appropriate box for the federal tax classification of the person whose name is entered on the "Name" line (Individual/sole proprietor, Partnership, C Corporation, S Corporation, Trust/estate).

Limited Liability Company (LLC). If the person identified on the "Name" line is an LLC, check the "Limited liability company" box only and enter the appropriate code for the tax classification in the space provided. If you are an LLC that is treated as a partnership for federal tax purposes, enter "P" for partnership. If you are an LLC that has filed a Form 8832 or a Form 2553 to be taxed as a corporation, enter "C" for C corporation or "S" for S corporation. If you are an LLC that is disregarded as an entity separate from its owner under Regulation section 301.7701-3 (except for employment and excise tax), do not check the LLC box unless the owner of the LLC (required to be identified on the "Name" line) is another LLC that is not disregarded for federal tax purposes. If the LLC is disregarded as an entity separate from its owner, enter the appropriate tax classification of the owner identified on the "Name" line.

Other entities. Enter your business name as shown on required federal tax documents on the "Name" line. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on the "Business name/ disregarded entity name" line.

#### **Exempt Payee**

If you are exempt from backup withholding, enter your name as described above and check the appropriate box for your status, then check the "Exempt payee" box in the line following the "Business name/ disregarded entity name," sign and date the form.

Generally, individuals (including sole proprietors) are not exempt from backup withholding. Corporations are exempt from backup withholding for certain payments, such as interest and dividends.

Note. If you are exempt from backup withholding, you should still complete this form to avoid possible erroneous backup withholding.

The following payees are exempt from backup withholding:

- 1. An organization exempt from tax under section 501(a), any IRA, or a custodial account under section 403(b)(7) if the account satisfies the requirements of section 401(f)(2),
  - 2. The United States or any of its agencies or instrumentalities,
- A state, the District of Columbia, a possession of the United States, or any of their political subdivisions or instrumentalities,
- $4.\ A$  foreign government or any of its political subdivisions, agencies, or instrumentalities, or
- 5. An international organization or any of its agencies or instrumentalities.

Other payees that may be exempt from backup withholding include:

- 6. A corporation,
- 7. A foreign central bank of issue.
- A dealer in securities or commodities required to register in the United States, the District of Columbia, or a possession of the United States,
- 9. A futures commission merchant registered with the Commodity Futures Trading Commission,
  - 10. A real estate investment trust.
- An entity registered at all times during the tax year under the investment Company Act of 1940,
  - 12. A common trust fund operated by a bank under section 584(a),
  - 13. A financial institution,
- 14. A middleman known in the investment community as a nominee or custodian, or
- A trust exempt from tax under section 664 or described in section

The following chart shows types of payments that may be exempt from backup withholding. The chart applies to the exempt payees listed above, 1 through 15.

IF the payment is for	THEN the payment is exempt for
Interest and dividend payments	All exempt payees except for 9

Payments over \$600 required to be reported and direct sales over \$5,000 1	Generally, exempt payees 1 through 7 <sup>2</sup>

<sup>&</sup>lt;sup>1</sup>See Form 1099-MISC, Miscellaneous Income, and its instructions.

#### Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IPS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see *Limited Liability Company (LLC)* on page 2), enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

**Note.** See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local Social Security Administration office or get this form online at www.ssa.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/businesses and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting IRS.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

**Note.** Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded domestic entity that has a foreign owner must use the appropriate Form W-8.

#### Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, below, and items 4 and 5 on page 4 indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on the "Name" line must sign. Exempt payees, see Exempt Payee on page 3.

**Signature requirements.** Complete the certification as indicated in items 1 through 3, below, and items 4 and 5 on page 4.

#### **Independent Auditor's Report**

Board of Directors

Jefferson County Public Education Foundation, Inc.

Louisville, Kentucky

We have audited the accompanying statements of assets and net assets – cash basis of the **Jefferson County Public Education Foundation**, **Inc.** (a not-for-profit foundation) as of June 30, 2012 and 2011, and the related statements of revenues and support, expenses, and changes in net assets – cash basis for the years then ended. These financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As described in Note 1 to the financial statements, these financial statements were prepared on the cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets and net assets of the **Jefferson County Public Education Foundation**, Inc. as of June 30, 2012 and 2011, and its revenues and support, expenses, and changes in net assets for the years then ended, on the basis of accounting described in Note 1.

#### JEFFERSON COUNTY PUBLIC EDUCATION FOUNDATION, INC. NOTES TO FINANCIAL STATEMENTS JUNE 30, 2012 AND 2011

### (1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND NATURE OF ACTIVITIES

#### **Nature of Operations**

The Jefferson County Public Education Foundation, Inc. (the "Foundation") is engaged in the solicitation and receipt of gifts, grants, and contributions from individuals, groups, corporations, and other sources, public and private, to assist and support the public school system of Jefferson County, Kentucky. The Foundation also engages in other activities to advance the education of citizens of Louisville and Jefferson County, Kentucky. The Foundation qualifies as a non-profit organization under Section 501(c)(3) of the Internal Revenue Code and is, therefore, exempt from federal and state income taxes.

#### **Basis of Presentation**

The accompanying financial statements are presented on the modified cash basis of accounting which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Consequently, revenues are recognized when received rather than when earned and expenses and purchases of assets are recognized when cash is disbursed rather than when the obligation is incurred. This basis differs from accounting principles generally accepted in the United States of America primarily because the Foundation has not recognized donor pledges or in-kind donations.

The Foundation reports net assets and revenues, expenses, gains, and losses based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Foundation and changes therein are classified and reported as follows:

<u>Unrestricted net assets</u> – Represent the portion of expendable funds available for support in the operation of the Foundation.

<u>Temporarily restricted net assets</u> – Net assets subject to donor-imposed stipulations that may or will be met either by actions of the Foundation and/or the passage of time.

<u>Permanently restricted net assets</u> – Net assets subject to donor-imposed stipulations that they be maintained permanently by the Foundation. At June 30, 2012 and 2011, the Foundation had no permanently restricted net assets.

#### Cash and Cash Equivalents

The Foundation considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

### JEFFERSON COUNTY PUBLIC EDUCATION FOUNDATION, INC. NOTES TO FINANCIAL STATEMENTS - CONTINUED JUNE 30, 2012 AND 2011

(1 - continued)

#### **Contributions**

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as temporarily restricted or permanently restricted support that increases those net asset classes. However, if a restriction is fulfilled in the same time period in which the contribution is received, the entity reports the support as unrestricted.

#### **Income Taxes**

The Foundation is exempt from federal and state income taxes under Section 501(c) (3) of the Internal Revenue Code. Accordingly, the financial statements do not provide for income taxes.

The Foundation has implemented the accounting guidance for uncertainty in income taxes. Under that guidance, tax positions need to be recognized in the financial statements when it is more-likely-than-not the position will be sustained upon examination by the tax authorities. As of June 30, 2012, The Foundation has no uncertain tax positions that qualify for either recognition or disclosure in the financial statements. The Foundation files federal income tax returns. Returns filed for the tax years ended on or after June 30, 2009 are subject to examination. The Foundation is not currently being examined and management believes its tax-exempt status would be upheld under examination.

#### (2) CASH AND CASH EQUIVALENTS

Cash and cash equivalents included in the accompanying statements of assets and net assets consist of the following as of June 30:

	<u>2012</u>	<u>2011</u>
Money market account Checking account	\$ 1,989,289 6,019	\$ 2,029,391 6,010
Total	\$ <u>1,995,308</u>	\$ 2,035,401

The Foundation maintains its cash in bank deposit accounts which, at times, may exceed FDIC limits. However, the amounts in excess of the FDIC limits exposed to credit risk are secured by United States Treasury repurchase agreements pledged by the Foundation's bank and held in the Foundation's name.

#### (3) CONTRIBUTIONS

The Foundation's revenue consists primarily of donor contributions. During the year ended June 30, 2011, the Foundation received multi-year pledges from several donors which are not reported in these modified cash basis financial statements. The contributions are for the "Innovation I3 Making Time for What Matters Most" program from various individuals and corporations.

Temporarily restricted net assets amounting to \$1,743,453 and \$1,772,426 for 2012 and 2011, respectively, are available for various programs conducted by the Jefferson County Public Schools and include amounts for early childhood development, student scholarships, teacher recognition and awards, and various other special projects.

One program included in the all others category above had a negative balance as of June 30, 2011. This is related to the programs issuing disbursements prior to receiving contributions.

#### (5) CONCENTRATION

As a result of a class action lawsuit settlement, the Foundation received contributions totaling \$679,733 from Zeon Chemicals during 2012. Zeon was involved in a lawsuit for emissions to a local community, and it was determined that the settlement should be contributed to the Foundation. The contribution received is restricted for use by the nine elementary schools in the affected district. The activity relating to receipt and use of these funds is presented under the caption "Zeon Chemicals" in the financial statements.

During the year ended June 30, 2012, the Foundation received a total of \$689,733 from Zeon, which represents approximately 44% of current year contributions.

#### (6) SUBSEQUENT EVENTS

The Foundation has evaluated whether any subsequent events that require recognition or disclosure in the accompanying financial statements and related notes thereto have taken place through May 14, 2013, the date these financial statements were issued.

Councilwoman Cindy Fowler Louisville Metro Council 601 West Jefferson Street Louisville, KY 40202

#### Dear Councilwoman Fowler:

Thank you for considering the request that Eisenhower Elementary is making for support to make improvements to our playground facilities. The improvements will positively impact the students of Eisenhower and the community for years to come by providing a structure and opportunity to actively play, exercise, and develop physical coordination. The playground will also encourage families to engage in healthy activities together.

Once funding is secured, the order of materials can be made. Completion of the purchase and installation should be completed within 8-10 weeks. We anticipate opening the playground to our students and the public by May 1, 2014.

Thank you for considering our request and for your stewardship to our community. We are stronger when we act together and build a strong community for our youth and families.

Please contact me should any additional information be needed.

A Cummun

Sincerely,

Julie A. Cummings

Principal, Eisenhower Elementary
