Subject: Re: NDF Applications for Okolona Elementary Playground

Phase I of our playground is already open to the public 24 hours a day/7 days a week. It is not fenced in or locked, so it's always open to the community. Phase II will be available as soon as it is installed and will also be open to the public 24/7.

Please let me know if you need any further information.

Thank you,
Angie

Subject: RE: NDF Applications for Okolona Elementary Playground

The Appropriations Committee has requested that JCPS have insurance on the playground equipment to cover any vandalism such as fire, etc.

Also the County Attorney has requested a letter from the school stating the exact date & hours that the playground will be available to the public.

The funding will be held until letters/emails have been received regarding these 2 issues.

Thank you,

Subject: FW: NDF Applications for Okolona Elementary Playground

Below is a response from Okolona Elementary regarding the date the new playground is expected to be open and available to the public – but does not include exact time of day it is open to the public. We've since asked for this but have not gotten a response.

Once the funding is secured, we will issue a Purchase Order which needs approval from the Purchasing Department and released on July 1st. We're hoping Bluegrass Recreation can install the playground over the summer and have it available to the general public by September 1st.

Please let me know if you need anything else.

Thanks,
Angie

Hi Angela,

Metro Council **needs something from the school TODAY** answering their question as to when the playground will be available to the general public – see email below.

Thanks,
Becky

Hi Becky,

The Okolona NDF application is going to appropriations tonight and there is just one question on it. Scroll down to the first email . . . Do you know the answer to that question? Thanks

Subject: FW: your NDF

Tawnya – if you would, please confirm for us when the playground would be accessible to the public.

Thank you for your kind assistance.

I've not been asked about that but I could call the school to see if we could get an email addressing that question ? ! ? !

Subject: your NDF

I know I have seen your NDF application for the playground equipment at Okolona Elementary School and it is 99.9% perfect. When it was over at the CAO someone questioned that there was not a letter from the school acknowledging when it would be open to the general public. Have you been asked to get that? I do not see it in the file.

Thanks

Beth
