SECTION 3 - AGENCY DETAILS

Describe Agency's Vision, Mission and Services:

GoGreen Germantown is a tree planting/beautification movement started in 2010 with 3 major goals. 1. to increase the number of trees, shrubs and other greenery in the Schnitzelburg neighborhood. 2. To encourage recycling and reduce littering 3. To make the Eastern Redbud (a native species) the signature tree of Schnitzelburg with the goal of an eventual Redbud Festival.

This is achieved by offering to plant a Redbud tree in the yard or easement of Schnitzelburg residents as they request, in addition to approaching neighbors with a good location for a tree. Businesses and individuals with the space for a larger species are offered that as well. We have also enhanced key entrance ways with beautification, organized litter clean ups and used our Facebook page to share environmental tips and advice on tree care. Our very first planting was observed by an arborist, as was one of our other plantings. Proper tree planting technique is taken seriously, as is making sure the location is right for the tree when it is fully grown.

SECTION 4 – PROGRAM/PROJECT NARRATIVE

A: Describe the program/project start and end dates, a description of the program/project and applicable data with regards to specific client population the program will address (attach related flyers, planning minutes, designs, event permits, proposals for services/goods, etc.):

GoGreenBermontown has a Spring and Fall planting season but year round maintenance and drive bys to check the health and care of our plantings is conducted on a regular basis. The lack of trees in our neighborhood is a problem both aesthetically and environmentally and neighbors are told about economic benefits (reduction in LG&E costs) as well as increased property values and noise reduction. We will continue to target areas that are lacking in trees and greenery.

B: Describe specifically how the funding will be spent including identification of funding to sub grantee(s):

Funds will be spent on Redbud trees and other species as well as mulch and the occasional tools such as tree stakes or pruners as needed. All receipts are kept and reported to the SACC treasurer. Funds will be used for flowers and upkeep to planters purchased in past years, and additional planters.

C: If this request is a fundraiser, please detail how the proceeds will be spent:

D: For Expenditure Reimbursement Only – The grant award period begins with the Metro Council approval date and ends on June 30 of Metro fiscal year in which the grant is approved. If any part of this funding request is for funds to be spent before the grant award period, identify the applicable circumstances:

☐ Effective October 24, 2013, reimbursements should not be made unless an emergency can be demonstrated by the primary council sponsor. The funding request is a reimbursement of the following expenditures (attach invoices or proof of payment):

- ✓ Attach a copy of invoices and/or receipts to provide proof of purchase of activities associated with the work plan identified in this application.
- ✓ Attach a copy of cancelled checks to provide proof of payment of the invoices or receipts associated with the work plan identified in this application.

SS ☒ The funding request is a reimbursement of the following expenditures that will probably be incurred after the application date, but prior to the execution of the grant agreement:

- ✓ If selecting this option, the invoice, receipt and payment documentation should not be available as of the date of this application.

The Grantee will be required to submit financial reporting in accordance with the reporting schedule provided in the grant agreement.

LOUISVILLE METRO COUNCIL NEIGHBORHOOD DEVELOPMENT FUND APPLICATION

E: Describe the program's benefits to those being served (measurable outcomes). Include the program's process for collecting data and the indicators that will be tracked to measure the benefits to those being served:

Benefits of trees include a calming effect, reduction of storm runoff, reduction in cooling costs, increased property values and with having a "signature tree", a sense of neighborhood pride. Because all of ^{the} trees we have planted are in our neighborhood, we are close by to monitor their progress and growth. A master arborist in our neighborhood has been happy to consult when one of our plantings was damaged by a storm. We will try to include children and youth whenever possible.

F: Briefly describe any existing collaborative relationships the organization has with other community organizations. Describe what those partners are bringing to the relationship in general and to this program/project specifically.

A few trees have been planted close to our border in the Germantown neighborhood. Several Germantown residents have volunteered with our tree plantings and cleanups. Love Louisville Trees, a non-profit, asked me to help find homes for some leftover trees and also sent me the names of people asking for Redbuds.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
- Certify that you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.
