# Staff Finding/Conclusion

- The proposal meets the requirements of the Land Development Code and the applicable goals of Plan 2040.
- Based upon the information in the staff report, the testimony and evidence provided at the public hearing, the Board must determine if the proposal meets the standards for granting a cell tower.

# Required Action

Approve or deny the request for a proposed 105 foot monopole tower with a 5 foot lightning arrestor for a total height of 110 feet within an approximate 2,500 square foot compound.

Condition of Approval: Subject to MSD Notes.
