**REQUEST**

Conditional Use Permit to allow short term rental of a dwelling unit located within the TNZD (LDC 4.2.63)

**CASE SUMMARY / BACKGROUND**

The applicant proposes to conduct short-term rentals at a single-family residence on the site. As it is located within a TNZD, a Conditional Use Permit is required. The dwelling unit is not the primary residence of the host.

The site is located on the west side of S. Floyd Street between St. Joseph and E. Oak Streets. It and adjoining properties to the north, south and west are zoned TNZD in a Traditional Neighborhood form district. Properties to the north, south and west are in single-family residential use. The property is bordered by I-65 on the east.

PVA lists the existing structure as a single-family residence. According to the applicant, there are three bedrooms; the LDC permits up to eight guests. LDC standards credit the property frontage with one on-street space; a parking pad off the rear alley can accommodate up to three additional vehicles. The existing condition of the parking pad does not meet LDC requirements; a Condition of Approval would require it to be updated to meet LDC standards.

**STAFF FINDINGS**

Based upon the information in the staff report and the testimony and evidence provided at the public hearing, the Board of Zoning Adjustment must determine if the proposal meets the standards established in the LDC for a Conditional Use Permit.

## TECHNICAL REVIEW

No technical issues remain to be addressed.
