I had staff figure a rate which is actually less than second tier and this is \$650 for season. Second tier rate was actually \$905 or whatever was figured originally.

Marty, what much would the second tier rate be? Please advise.

If this is a metro sponsored event then there is not an insurance requirement. There are forms they do have to sign and CW said she was willing to pay for their permit which would qualify for a metro event. I was working on getting price down some, Art had given them a second tier rate which would actually be a discount but we are willing to knock this down a little more to make it a reality. Just a note insurance is not real expensive and Robyn or Art could help them if they still wanted to do this. We can schedule everything and charge \$650 for all of their dates and games. please let me know if this will work.

Marty, I am following up on your conversation with CW Woolridge regarding the above. I want to make sure I share it correctly with the League. Please advise.

THE WEST-END KICKBALL LEAGUE PROPOSAL FOR ALGONQUIN PARK

Victoria Harris,

Desiree Sweeney- Bryant,

OVERVIEW

The West-end Kickball league is pleased to submit this proposal for services to support Councilwoman Mary Woolridge in achieving its goals for improving the west-end/ Algonquin park area by providing family, friendly kick back, get your Barbeque grill out, kickball games. These games will be held on Sundays tentatively starting May 31st 2015 and tentatively ending Sunday September 20th 2015.

The Objective

There will not be very much we would need from Councilwoman Mary Woolridge. We would only need the following and the rest would be left up to us and Metro Parks. Mr. Marty Starks has been the representative from Metro parks that has backed us up for the past 3 years. He will also be on board with us this year. He handled having the grass cut and lined, bleachers and making sure trash was taking care of at the end of the night.

- Park liability Insurance.

The Opportunity

If given the opportunity to be a part of Algonquin park The West-end Kickball League would love to give back to the community by doing the following:

- Tentatively June 21st 2015 will be the first Daddy and me kickball game (This game will be held on Father's day. This gives kids and their dads a chance to bond like no other. What's more fun than a good game of Kickball?)
- Tentatively August 2nd will be the 1st annual West-end Kickball Backpack giveaways. (We are looking for beauty shops and Barbershops to help out with coupons for this event.)
- Throughout the season will have the Kids love Kickball games and the Brains vs. Beauty Kickball games for teenagers will be played.

The Solution

We hope that with the families in the surrounding areas this gives parents time to spend with their child/ children. We hope the West-end Kickball league is the reason for teenagers to stop all their non-sense and give a day of rest to a community. We want to give families in the surrounding areas a reason to get outside of their homes and enjoy a day of fun filled activities. During half time for different games we will have different group organizers come out and share their special talent or gift. (i.e. Zumba instructors, Hip Hop fitness instructors, local dance teams, local drum corps if possible)

- We will have police visible every Sunday. Police Chief Steve Conrad has worked with Victoria in past years to provide police officers.

OUR PROPOSAL

Councilwoman Mary Woolridge has a well-deserved reputation as Councilwoman of District 3 the Russell Lee Area. However, faced with changes in the community, economic impacts to families in the surrounding areas, and limitations that prevent taking full advantage of the family friendly community that she has made, Councilwoman Mary Woolridge now has a chance to turn a negative into a positive and put families back at the park on Sundays. The West-end has taken a deep blow this summer with all that has led up to this point. Let us come in and take your worries away. We understand that on Saturdays at Algonquin park their usually is a concert. Let's get those same people that were in attendance to the concert just the day before back down on Sundays. The west end needs a positive outcome to outweigh all the bad, Please let us do this for you and for every kid that wants to be able to go outside and play but the parents are way too scared. Let the **West-end Kickball League** be the positive place a parent can bring their child/children.

We have developed solutions to keep this event as safe as possible. Victoria keeps in touch with Chief of police Steve Conrad. He has agreed to provide police officers. We love for the police officers to be visible, we love for the police officers to interact with the children and the adults. To go along with the league, each team is given a set of rules that the referees will use during the games. Each team is responsible for turning the signed sheet in noting that all of the members that have read the rules and the team member fully understands each rule.

Special Ties

Algonquin Park is the home of The South Central Packers. Victoria has actually been a cheerleading coach for 3 years with the Packers and the founders of the Packers happens to be a part of her family. **Go Packers!**

Seasons Prior

We have had 3 wonderful seasons. We have 7 loyal teams that continues to return every year. With us moving the League over to Algonquin Park, we are looking forward to attracting more participants. Each year the crowd continues to grow and even at times we would look up and see important faces in the crowd. Mayor Greg Fischer comes out to support us every year.

We have also attached a copy of the rules each team is given

Thank you for taking the time to read our proposal and we hope to hear from you as soon as possible.

Thank you,

Victoria Harris
