Maj. Hettich –

Councilman Ackerson is interested in funding some overtime, approximately \$2800.00, to increase police presence in a particular area of the district, responding to the break-ins and other problems in the Highgate Springs area. We have previously done this for speeding in the Klondike Lane area. I'd very much like your input on this. The idea would be to spend this money in the next two or three months. Although ideally we'd start spending it right away, realistically, it must go through the Appropriations process here at the Council which at a minimum takes a month.

Your thoughts?

Brent –

Please verify you wanted to increase this from \$2800 to \$3500.
