CM Triplett,

Good afternoon! Attached is the quote from DataLink (our camera vendor) for the blue light on the camera at 3<sup>rd</sup>//Florence Ave. Please review. If you approve, I will have TechOps Sgt. Tim Nett coordinate with your office regarding funding, PO requests and installation schedules. The company is local, so installs are usually fast.

I will also check to see if the quote changes for a flashing light. As we discussed, I think this would be a good location to test that type of light.

Let me know if you have any issues. We appreciate your support and teamwork!

Respectfully,

Emily
