 Novel
 Coronavirus
 (COVID-19)
 2020

How can I avoid getting the novel coronavirus (COVID-19)?

Steps you can take to prevent the spread of flu and the common cold can also help prevent the spread of the coronavirus.

WASH YOUR HANDS often with soap and water. If soap and water aren't available, you can use an alcohol-based hand sanitizer that contains at least 60% alcohol.

AVOID TOUCHING your eyes, nose, and mouth.

AVOID CONTACT with sick people and **STAY HOME** if you are sick.

COVER YOUR MOUTH AND NOSE with a tissue or sleeve when coughing or sneezing.

Stay up to date on the coronavirus outbreak with reliable sources such as the CDC and World Health Organization.

Equipo colaborativo limpio - Informe semanal del 26 de abril al 30 de abril

La tripulación de 13 miembros del personal y su equipo se encuentran bajo nuestro Departamento de Residuos a Granel dentro de la División de Servicios de Gestión de Residuos Sólidos. Tienen la tarea principalmente de recolectar basura y escombros a lo largo de las carreteras del Metro.

A continuación se muestra la actualización semanal sobre las acciones de Clean Collaborative Crew: La tripulación limpió aproximadamente 138 millas en la azaca y recogió 292 bolsas, 9 neumáticos y 113 artículos más. Otros artículos incluyen todo, desde restos de vehículos hasta artículos voluminosos arrojados ilegalmente.

Louisville Downtown Partnership también recogió 766 libras de basura y escombros del área del centro.

Para obtener más información sobre la colaboración, realizar un seguimiento del progreso de los equipos y averiguar cómo puede ayudar, visite Louisvilleky.gov/CleanLou.

Know Waste Louisville @KnowWasteLou · May 5
It's #KnowWasteWednesday! Should you leave plastic wrappers in magazines when recycling?
No! Separate the plastic from the paper and recycle the paper in your outside bin or at a drop-off recycling dumpster. Recycle the plastic at a store that has a bin for plastic bags.

The first Pop-Up Drop-Off event is Satur...

272 Views · 7 weeks ago

Post details: Thursday, February 11, 2021. As of 5:45 pm: Roadways are in fair conditions after the fourth round of treatment by the Metro Snow Team. Crews will work through the night on all snow routes, continuing to apply salt with calcium chloride and plowing the remaining snow along edge of pavement, along curbs and street gutters, on center medians and turn lanes. We anticipate continuing this operation through tomorrow and evaluate conditions Friday afternoon... See More.

- ### How can I help?
- Choose not to litter. Make a commitment to always dispose of your trash properly and set an example for others.
 - Report litter concerns to Metro111. Report online, call 311 or 528-5000, email metro.111@louisvilleky.gov, or tweet @Louisville111.
 - Understand litter laws in Louisville Metro. Check the information with others.
 - If you see litter, pick it up! People tend to litter more in already littered areas.
 - Report a litterer online now.
 - Organize a neighborhood cleanup. Brightside offers resources for your group.
 - Create your team! A lot of litter ends up on the highway because of waste not properly contained in trucks.
 - Remove vehicle debris after an accident. When a wrecked vehicle is removed, the debris must be removed with it.
 - Report materials that have been illegally dumped to "junk" set out on the street to Metro111 or call 311 or 528-5000.
 - If you witness a person illegally dumping and have information (pictures, license plate #, etc.) report it to our online form.
 - If you like someone to dispose waste for you, ask to use their Waste Transfer License and do not pay without a disposal receipt. Properly disposing of thousands of pounds of waste costs at least \$100. If you're charged less than that, be suspicious. Perpetrators will often take your money and illegally dump items to avoid the disposal fee. Drop off up to three household items for free at the Waste Transfer Center. (Disposal fee apply for additional items)
 - Only set out large items during your scheduled set out period. Residents in the Urban Services District can sign up for set out reminders using the Recycle Check app. Residents outside the Urban Services District should call their contracted waste hauler for instructions.
 - Dispose of large items like tires and furniture at Pop-Up Drop-Off events. Free recycling and large item disposal events for residents of Jefferson County.
