CAUTION: This email came from outside of Louisville Metro. Do not click links or open attachments unless you recognize the sender and know the content is safe

Please deny the requested binding element amendments to 7425 St. Andrews Church Road..  
Uphold the 1999 binding elements that allows commercial use of this property and protects peace and integrity of the Forest Hill neighborhood.

The traffic is already very difficult to see when turning. The wait to turn out of the neighborhood is also very long backing up traffic exiting the neighborhood..

Thanks  
Rodney Lambert
