Evan,

So you could refresh the existing markings for an amount not to exceed \$1,000?

Jeff,

Typically, for a lot this small, I would charge a minimum(\$950.00). For most lots I would charge \$.42 lf for stall lines/long line. \$.72 sf for x-hatching, and \$50.00 for a standard handicap stencil. I could submit a formal quote if you would like for me to.

Thanks,

Evan Brewer

Great. Do you need anything else from me or was that enough info to provide a quote?

We do not have a contract price for parking lot striping, but I would be happy to provide pricing.

Evan,

I picked up a pavement marking project and hoping you can help.

This is a Council funded project to refresh the parking lot markings in the public parking lot at 2327 Frankfort Ave at N Keats & Frankfort Ave. Do we have an unit price for parking lot striping or will we need to amend the annual contract, if you are interested in refreshing the markings.
