We, the undersigned, support the effort of Masonic Homes of Kentucky, through Louisville Metro Planning and Zoning case number 14MOD1000, to open additional access points at Leland and Ormond roads, Washington Square and Elmwood Avenue. We believe that opening these multiple access points will create better community traffic flow continuity; will allow MHKY residents and employees to come on to and leave the MHKY campus more safely and quickly; will more equitably spread traffic flows onto Frankfort Avenue, Chenoweth Lane and surrounding streets; and will benefit both St. Matthews' and Louisville Metro's residents and businesses.
