## NDF, CIF, MAP OR PAY INTERAGENCY CHECKLIST

<b>Interagency Name:</b> Public Works	
<b>Program/Project Name:</b> Increased Lighting in D3 (7th Street/Millers Lane)	
	<b>Yes/No/NA</b>
<b>Request Form:</b> Is the Request Signed by all Council Member(s) Appropriating Funding?	Yes <input checked="" type="checkbox"/>
<b>Request Form:</b> If matching funds are to be used, are they disclosed with account numbers in the request form description?	NA <input checked="" type="checkbox"/>
<b>Request Form:</b> If matching funds are to be used, does the amount of the request exclude the matching fund amount?	NA <input checked="" type="checkbox"/>
<b>Request Form:</b> If other funds are to be used for this project, are they disclosed with account numbers in the request form description?	No <input checked="" type="checkbox"/>
<b>Funding Source:</b> If CIF is being requested, does Metro Louisville own/will own the real estate, building or equipment? If not, the funding source is probably NDF.	NA <input checked="" type="checkbox"/>
<b>Funding Source:</b> If CIF is being requested, does the project have a useful life of more than one year? If not, the funding source is probably NDF.	NA <input checked="" type="checkbox"/>
<b>Ordinance Required:</b> Is the NDF request to a Metro Agency greater than \$5,000? If so, an ordinance is required.	Yes <input checked="" type="checkbox"/>
<b>Ordinance Required:</b> Is the request a transfer from NDF to cost center? If so, is the amount given for the fiscal year \$25,000 or less?	No <input checked="" type="checkbox"/>
<b>Supporting Documentation:</b> Does the attachment include a valid estimate and description of cost?	Yes <input checked="" type="checkbox"/>

---

Public Works will accept funds for the 5-Year LGE lease for the following street light projects:

7<sup>th</sup> Street from Crums Ln to Berry Blvd **\$7,569.60**

Millers Ln from Dixie to Cane Run Rd **\$14,004.60**

7<sup>th</sup> Street from Algonquin Pkwy to Berry Blvd **\$23,538.00**

Total for these 3 projects = \$45,112.20

I have a few questions for these cost estimates:

- 11 poles at intersections being changed to brighter bulbs for \$459.69 a month, \$5,516.28 a year. (Already have existing contracts). *I will need to know the wattage of the existing fixture and the proposed wattage in order to determine the 5-Year lease cost.*
- For 45 Acorn lights, the total 5-year lease would be \$62,586. *Will there be any installation costs owed to LGE for the new Acorn lights? The Acorn lease cost is \$23.18/month so the \$62,586 estimate is good but there is usually an up-front construction cost that LGE charges if there are new poles, wires or other work required to install the fixture.*

**Subject:** RE: Lighting  
**Importance:** High

Jeff,

Following up on this. The legislation has to be filed and approved by noon today and I still need an answer from you about accepting the funds for the breakdown below. LaTonya had a specified amount transferred to NDF from CIF in order for us to cover this. Please respond by 11am, earlier would be optimal.

**From:** Morrow, Keturah D.  
**Sent:** Friday, October 22, 2021 3:34 PM  
**To:** Brown, Jeffrey E <[Jeffrey.Brown@louisvilleky.gov](mailto:Jeffrey.Brown@louisvilleky.gov)>  
**Subject:** Lighting

Jeff,

I attached the estimates for the following lighting:

- 7<sup>th</sup> Street- (West Side) Crums Lane to Berry Blvd \$6384
- Millers Lane, every other pole from Dixie to Cane Run \$12,586.20
- 7<sup>th</sup> Street- (East Side) Algonquin to Berry Blvd \$20,653.80

With the total of these three areas being **\$39,624.00**

An addition to this lighting, We are asking for:

- 11 poles at intersections being changed to brighter bulbs for \$459.69 a month, **\$5,516.28** a year. (Already have existing contracts).
- For 45 Acorn lights, the total 5-year lease would be **\$62,586**.

The total for this project being \$107,726.28. If this is correct, will you accept these funds?

Per Keisha regarding acorn lights:

We will specify exact locations once we are shovel ready.

We understand that lights on the 'north' side may be between 'Wilson and Dixie' as we will not be lighting LaSalle Place and after McCloskey there is not side walk on the north side of Algonquin until you get past 16<sup>th</sup> street.

The 'south' side may have lights that run from Wilson to 16<sup>th</sup> street as the sidewalk extends almost end to end on the 'south' side. Additionally between Beech and Wilson there is a side street so I want to discuss placement in this area as well once we are shovel ready.
