Beth,

I am unable to attend the hearing for 18ARIANCE1072, and I would like to provide my input as a neighbor to the affected property.

My house sits directly across from the fence that has been installed. I have the view of this fence from my front door or windows and find it to be nothing less than attractively constructed. Amy and Landras strive to keep their yard as well tended as possible.

The fence only extends for a short distance, and was erected to block the view of a neighbor's car that is repeatedly and intentionally parked in front of my house which belongs to the neighbor who lives directly behind Amy and Landras. If one needs to see behind the fence it is easy to access a view from either end.

In my opinion, the fence is attractive and adds to the aesthetics of the neighborhood.

Thank you,

Dorothy Fieldhouse

Hi Beth

Warren Bidmead and Melissa Hexter were home owners at 2507 Kings Highway when Amy Baach and landras Moontree put up their lovely side entry way privacy screen. We believe that it enhances the aesthetic of the neighborhood and well as directs friends to an alternate entrance to their home. Please let them keep it.

Sincerely

Melissa Hexter
