Funding of \$10,000.00 from D2 CIF to Metro Public Works and Assets for the construction of a new curb at the island/median located near the intersection of Kilmer Blvd. and E. Indian Trail. This curb is being constructed as this island/median is frequently run over and into, and the sign and trees there struck by vehicles--due to currently not having much of a curb or deterrence mechanism in place. This project hopes to solve this issue.

Hi all,

Yes, I should be able to do the paperwork and submit tomorrow morning.

Steve/Public Works, can you please respond to this email approving the acceptance of \$10,000 (assuming this is the correct total figure; it looks like it is to me) from D2 CIF to Public Works for this job?

Thank you all!

Steve,

Just got off the phone with CW Shanklin and she is good to go with the
estimate, please proceed.

Also, when will the contractor need the neighborhood sign? We will
coordinate with CW Shanklin on a time a place for them to pick it up.

Thanks!
