Hello my name is Jennifer Gagel. I reside @ 4000 Old Outer Loop Louisville, Ky. I was very upset when i heard that a car wash may be built directly across the street from my house there at 4001 old outer loop. I was unable to schedule time off work to make it to the meeting that was held on Wednesday 3/20/2019. I really wanted to go to voice my opinion on how irrelevant i think it would be to build a car wash there. There is a car wash less than half a mile away from the location next to Arby's on Preston and another one maybe a mile away on Preston. The traffic is horrible. I have kids that would be in danger if this is developed. I am worried and scared for my privacy and traffic. Please do not build it. Thank you for your time.
